The theme for our yearbook this year is "Looking Through 2002". The images that fill this book were meant for your enjoyment. We hope you and your friends will take the time to remember the memories of this wonderful school we call "The Hill". Have fun with it and enjoy the times of laughter, joy, and sadness we have all experienced this past year. Try not to forget the teacher that inspired you, the friend who let you cry on their shoulder, and the family that you will always be a part of at Arthur Hill High School. Thank You for being a part of our memories.

-Rachel Jasinski, Editor-In-Chief

BELOW: Exchange Student Liis Tipp translates Spanish in Mr. Salinas' class.

Exchange Students

The students at Arthur Hill had the privilege of having two exchange students this year. They both were great girls who became our friends and our fellow students..

Liis Tipp, from Estonia, came to the United States because she wanted to learn English and also because she wanted to see if life in America was really like the movies. She is a very athletic girl who participated with the swim team and the soccer team, and she had fun on both sports.

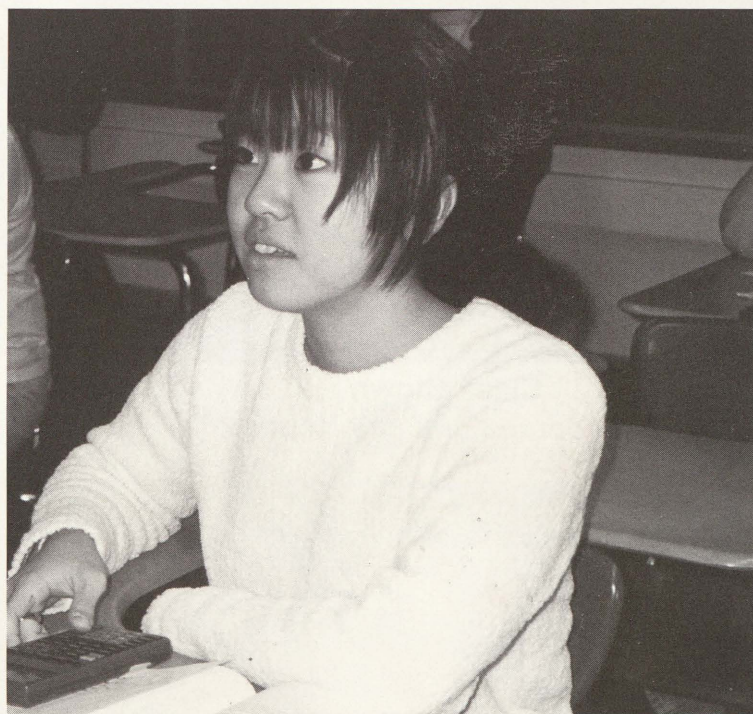

When Liis is not busy playing sport, she likes to hang out with her friends, go to the movies, go to parties; and of course, she likes to shop.

When asked about her favorite memory here at "The Hill" she responded, "Something happens here all the time!"

Hitomi Ito is another girl who came to us from Japan; she chose the United States because she also wanted to learn English. She loves to shop; in fact, it is one of her favorite things to do.

Some of her most vivid memories of Arthur Hill include Halloween and Homecoming because, in her Japanese culture, they do not have Halloween nor Homecoming. She had tons of fun celebrating both of them here with us.

I, **Rebecca Stephens**, will Justin Taylor (my adopted brother) the ability to play lots of sports – even when you aren't good at them!

I, **Sarah Stinton-Czuprynski**, will David Stinton-Czuprynski the ability to ignore stupid people, to have fun in any situation, and make the most (fun) of his high school career.

I, **Joy Strong**, will LaKeisha Freeman the chance I had to play in the girl's basketball state finals.

I, **Eric Tarras**, will Melvin Williams my ability to run, and make people miss.

I, **Charity Sha-ron Tate**, will leave my sister Buenita Tate my basketball skills and the most silliest girl in the school and came out with flying colors, Blue and Gold and the number 22 for her basketball jersey.

I, **Jessica Taylor**, will my little brother Justin Taylor, my nickname as J.T. and all the good times I had here at the "Hill."

I, **April Teneyuque**, will Kyle Volz my socks and Dua Kiong my success.

I, **Amy Thomas**, will my brother, Matt Thomas my sense of humor and to Rishelle Howe my stupid jokes. Enjoy your senior year guys, it goes by so fast!

I, **Andrea Thon**, will Lauren Terry and Erica Donald to keep the team looking good.

I, **Stephanie Thurman**, will Kyle Dorris the "shirt", and Kari Dycewicz the ability to keep the good conversations on the tennis bus.

I, **Lavenia S.S. Tinsley**, will my intelligence and attitude to my sister Veronica Garcia and my cousin aNika Laury.

I, **Liis Tipp**, will that everybody would have as much fun as I have, especially exchange students, enjoy this year, it's the best year in your life. Don't think about results, do everything that you can! Life is for living.

I, **Angela Town**, will Rebecca Town and Laura Dolson my ability to keep smiling when everything is going wrong.

I, **Holly Trogan**, will my little cousin, Stacy Keene, to keep it real at Bugsys for the 17 and under.

I, **Nikki Unger**, will Ashley Gunlock to always be the best of friends until forever.

I, **Trinidad Vasquez**, will leave this school with my head held high, my heart filled with success, and the memories of Arthur Hill in my mind. I will also leave my personalities and charms to my sisters who are the class of 2006.

I, **Derrick J. Voltz**, will Shakeshia and DeVario Voltz to have my school spirit. I also want to give DeVario my speed to help him be successful in track.

I, **Erika Wachowicz**, will Carla Wachowicz to have a great time the next 3 years at Arthur Hill.

I, **Courtney L. Weathers**, will my internal as well as external beauty, my kindness and intelligence, and my spiritual, emotional connection with God to Joy N. Wilson and Rebekka Brown.

I, **Jimmie Andre Westbrook**, will wish my sister, Janae Anise Westbrook, much continued success here at Arthur Hill High School. Luv ya lil sis!

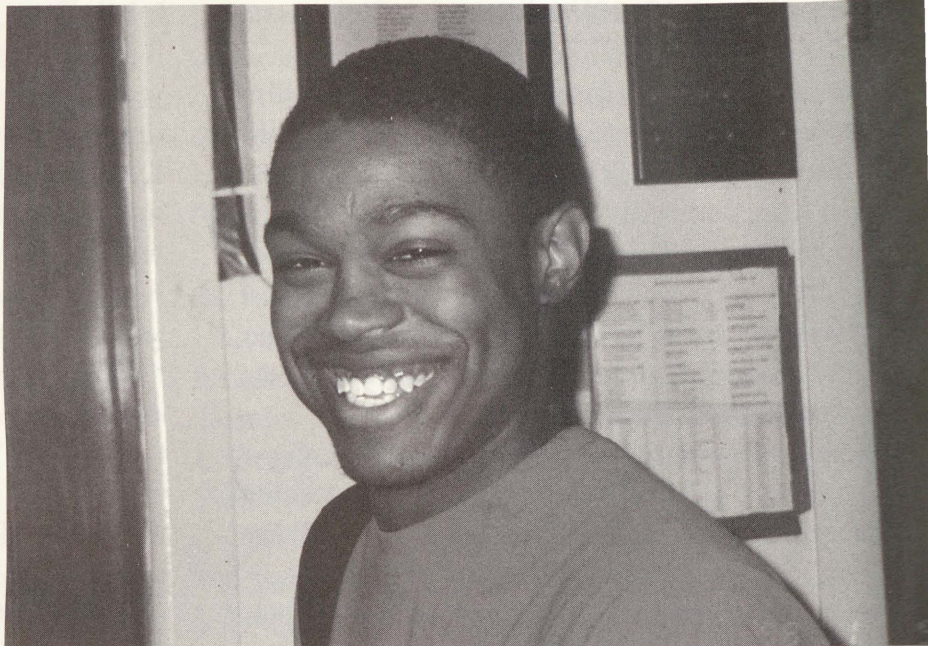

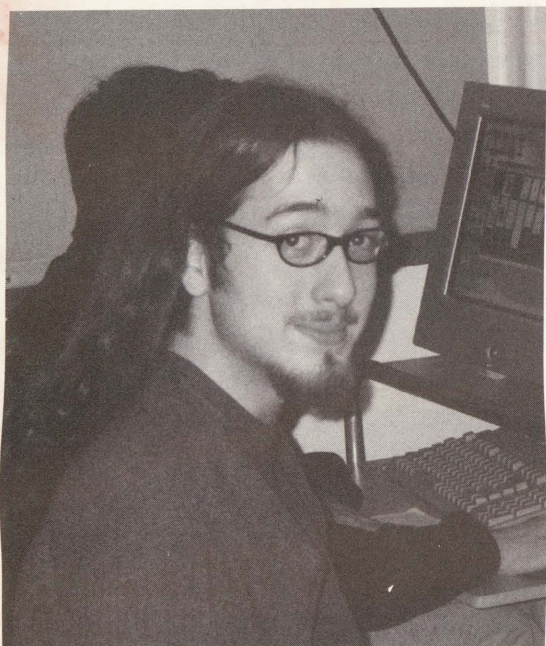

I, **Scott Westphal**, will leave Trina Flores my heart and best wishes next year.

I, **Erin Wortley**, will Citrus my brain, Katie Stanton gets my baby toes, Chris Rick can have my right hand, Jacob Kohut gets my left thumb, and David Salcedo gets the rest.

I, **Tiarra S. Wright**, will Lauren M. Terry my creative cheerleading abilities and the ability to look pass those who try to bring you down. Live your life through Christ, and all of your hopes and dreams will come true.

I, **Jonathan Yanca**, will Scott Janowiak my awesome hockey skillz, and my Big Tymers CD and I will Jackie Metiva all my love!

I, **Candyce Nicole Young**, will Mrs. Conflitti my Pom Pons, CeCelia Reyes my great hugging abilities, Tiffany Lewis, Tabitha Nelson and Kimberly Collier my knowledge on how to be a great friend, and Mr. Gravlin my persuasive writing skills.

Senior Memories

Seniors Look Back on 4 Years

Cedrick Pruitt: "Senior year went by so fast. In order to enjoy it, we had to live each day to the fullest. It's like everything else in life; you need to live each day with everything you have because tomorrow isn't promised."

P. J. Bonk: "I think Mr. Gravlin's mock senate rocked. I also remember things like off the road unicycling, the fact that I liked toast, toast inquiries, and the snow days: although, they were few and far between."

Latoya Jackson: "I will always remember my ninth grade year. It was filled with new experiences, new adventures, new people. I remember being excited to finally be at 'the hill.'"

Jared Jackson: "Grilling out on the tennis court during tennis practice and having three coaches in four years. I think both of those are somehow related."

**" It's like anything else in life: you need to live each day with everything you have because tomorrow isn't promised.
(Cedrick Pruitt)**

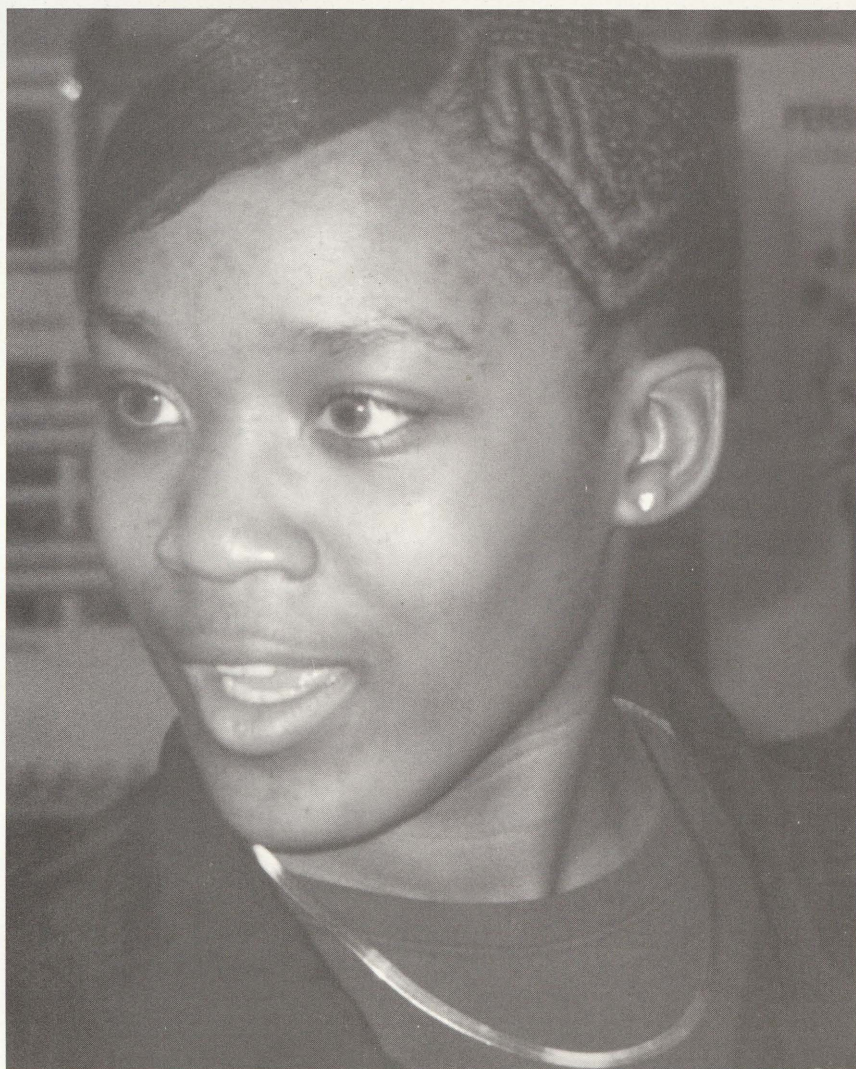

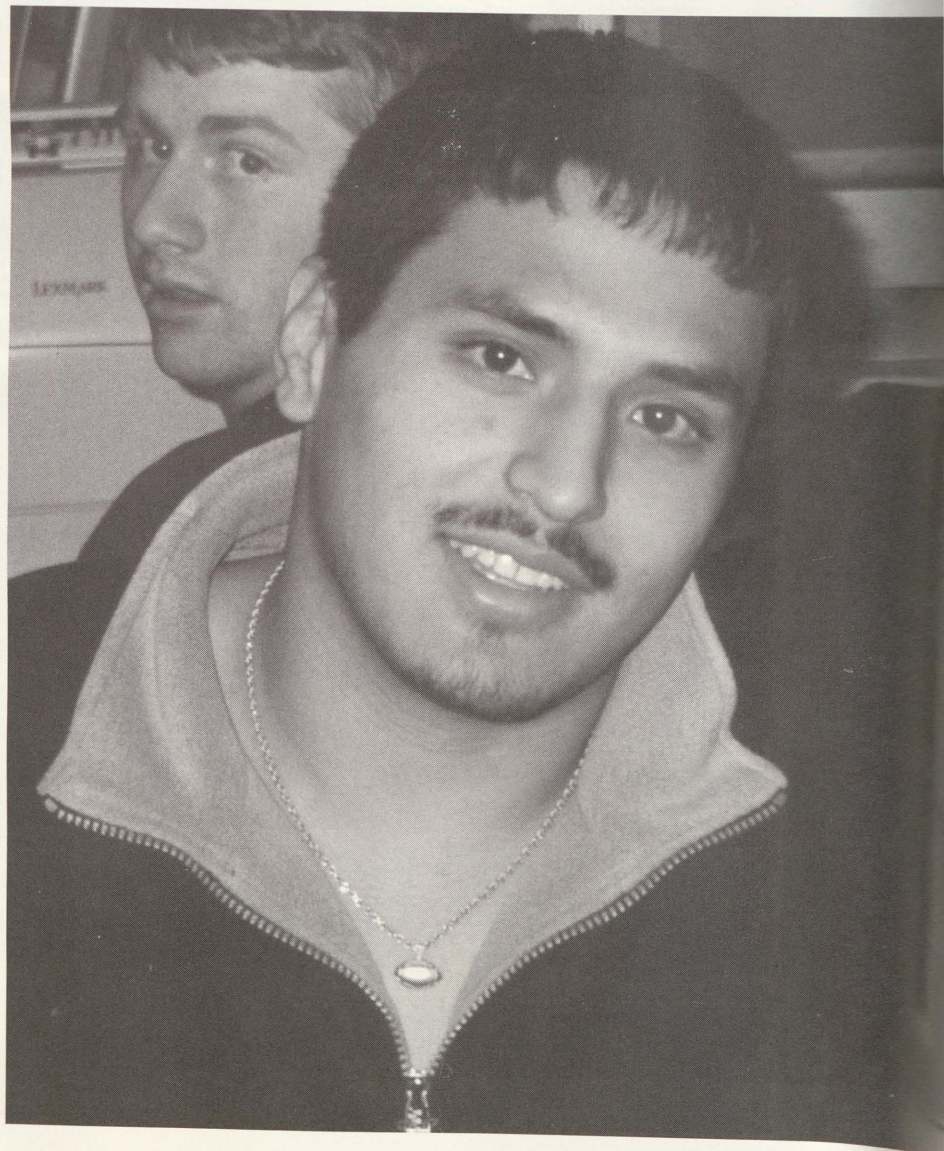

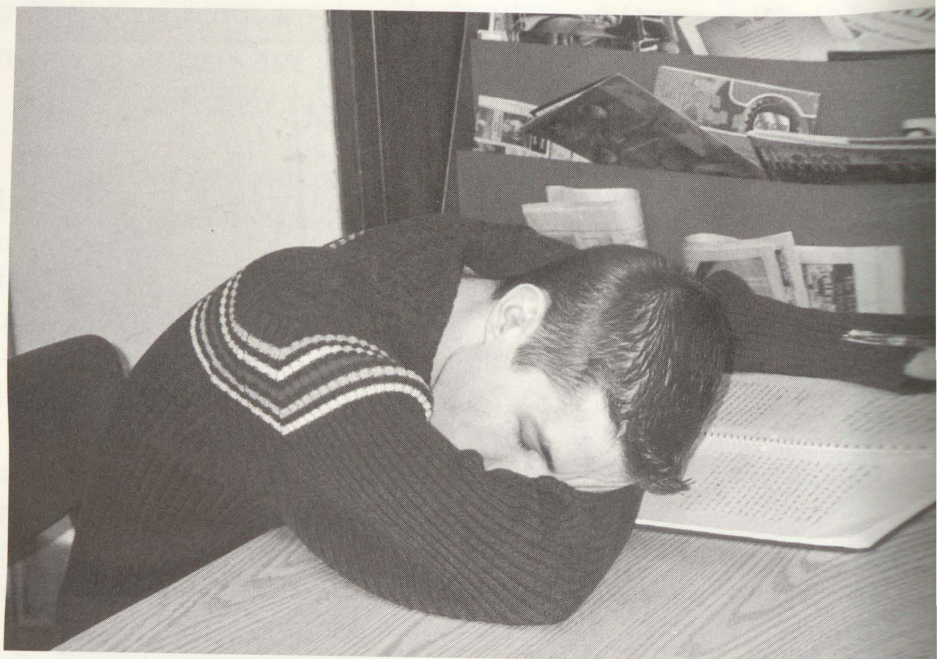

Brittany Fuller: "I remember a game, a parking lot, a car, and a steamed windshield. Nobody was in the car, but we all laughed as we tried to imagine the most *unlikely* couples that could've left that car behind."

Ekwa Hayford: " I remember getting my picture taken with Brittany Fuller in Mrs. Oliver's room. Also the many people who become friends at AHHS."

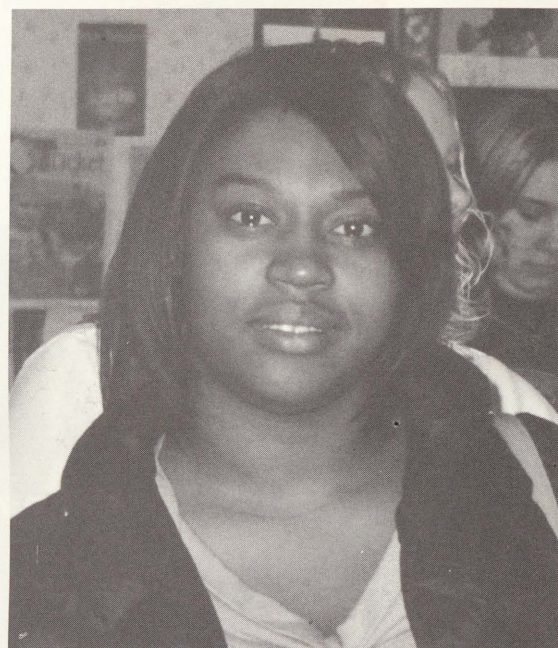

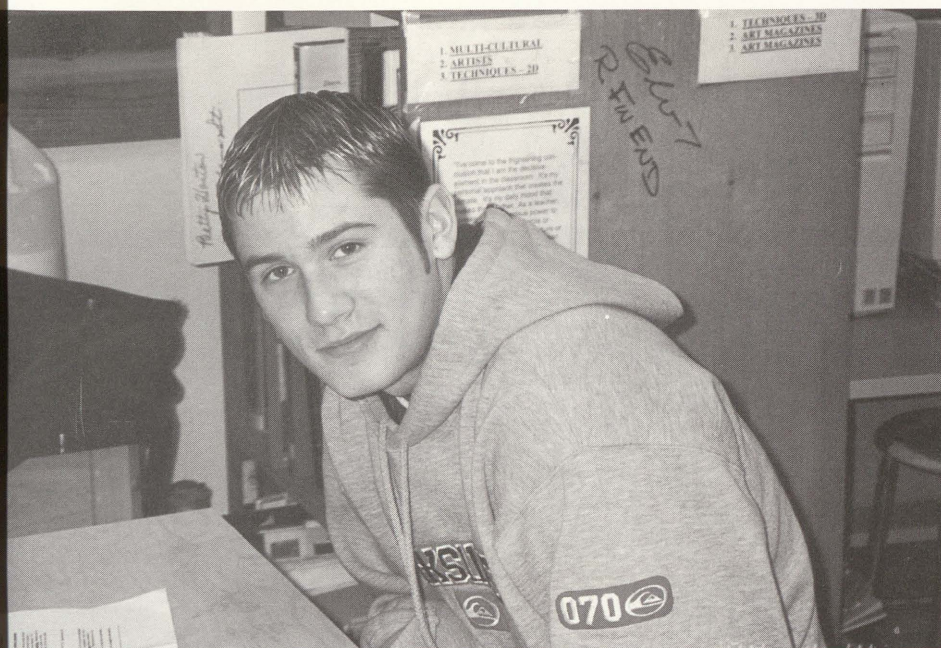

Sara Loiacano: "I will always remember playing soccer and having so much fun. Also, all the awesome hockey games and dances."

Sara LaFramboise: "I remember the way the school united after 9-11. And all my creative friends in Mr. Fish's creative writing class."

Class of 2002

Senior Memories

Jason Rocha: "I remember totally destroying the Midland baseball on Cinco De Mayo."

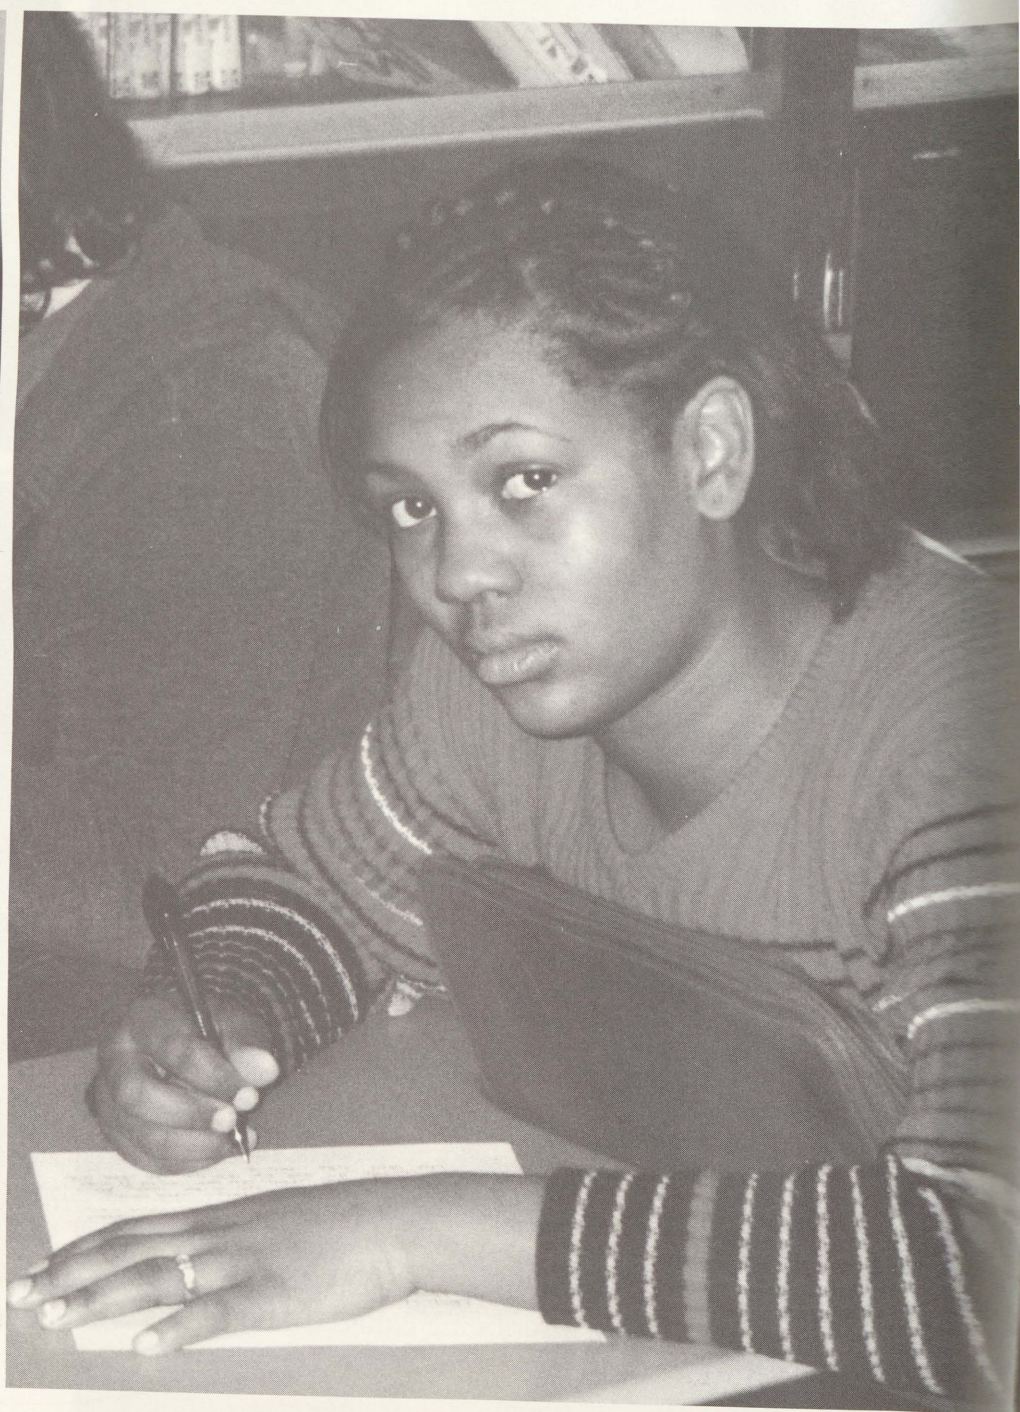

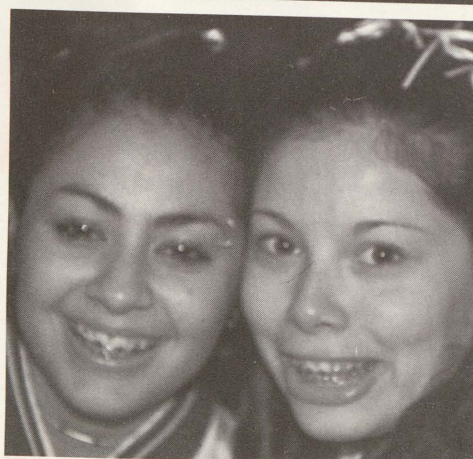

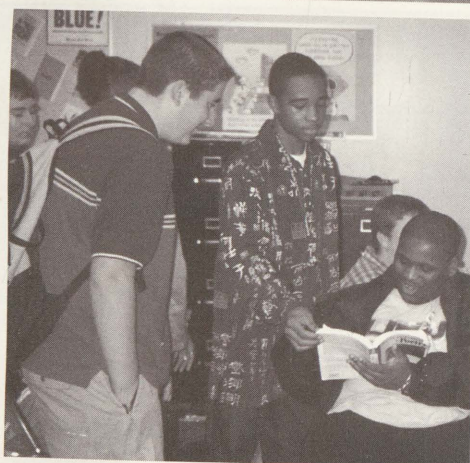

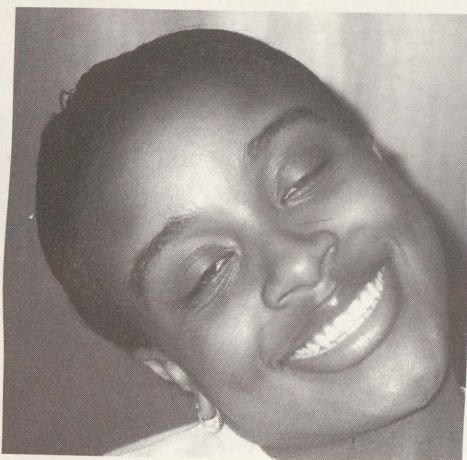

Andrew MacQueen: "I don't remember anything quite as vividly as the day Mr. Fish beat my high score in pinball and then the computer erased his name and score from the 'highest-rankings' list."

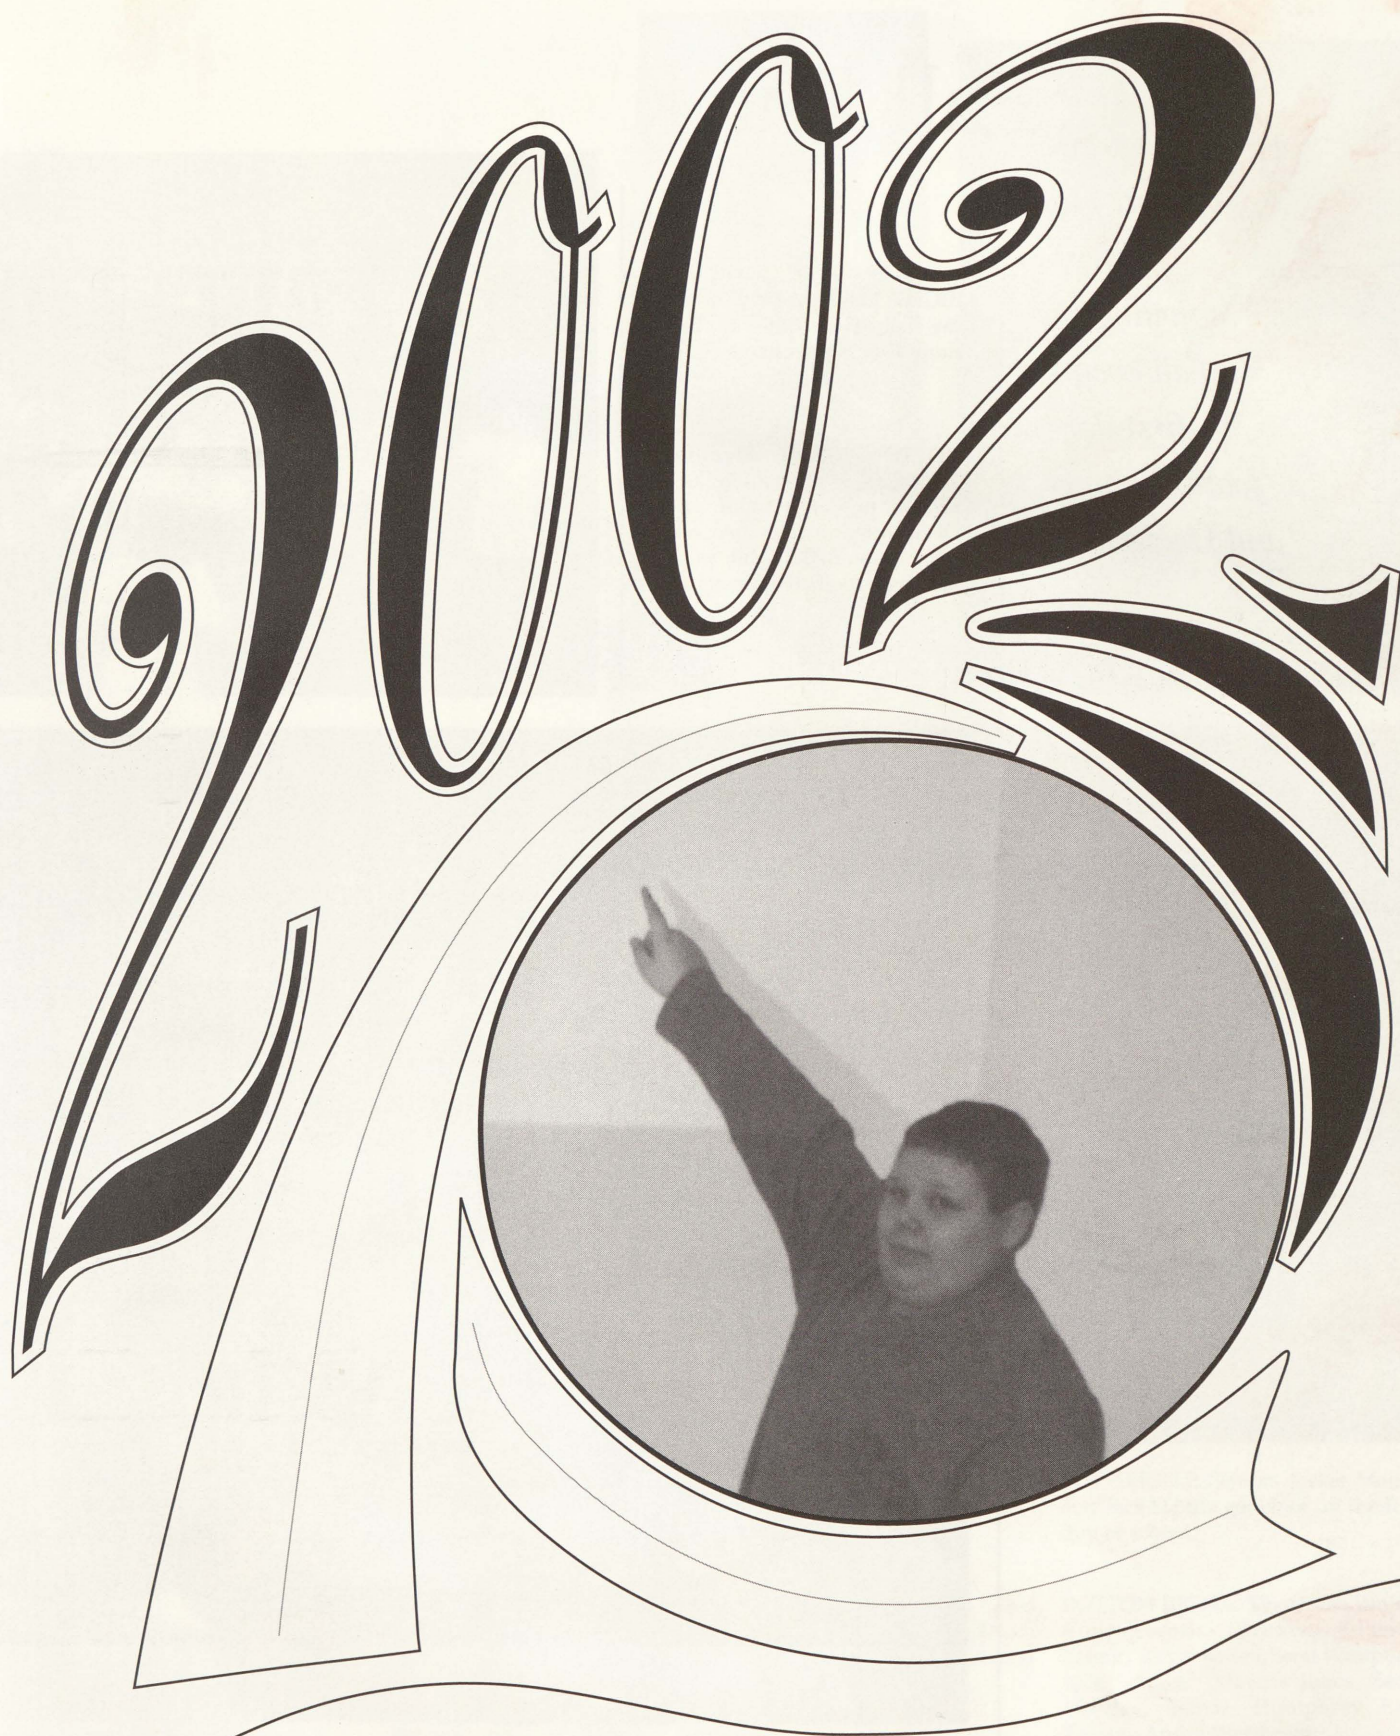

Tania Moore: "I remember all the great people and the interesting classes."

Johnathan Yanca: "Playing hockey and always scoring on Heritage."

Charity Tate: "In Mrs. Otto's class while Kevin Bellen was asleep in class and finally woke up after being called three times. Then he fell down. It was the funniest thing I had ever seen."

David Prudhomme: "Scoring a go-ahead goal against Heritage and winning the national championship of the Solar Byke Race in Kansas."

The Homecoming Court is like *whoa!*

The 2001 Homecoming events kicked off the school year for the Lumberjacks. Our schools news show, AHNN, announced our 2001 Queen, Michaela Garth and her attendants, Sarah LaDrig and JoAnn Rushdan. The MC's Candace Burns and Robert Jurek, who announced the girls and their escorts as they walked to the stage.

2001 was no exception for tradition. Last year's Queen, Jennifer Haynes, came back to give Garth and the court some words of wisdom for what was ahead. While on stage, the girls, along with their handsome escorts, showed the school how to get their groove on with "Where's the Party At?", "Independent Women Part I", and "Knock Yourself Out".

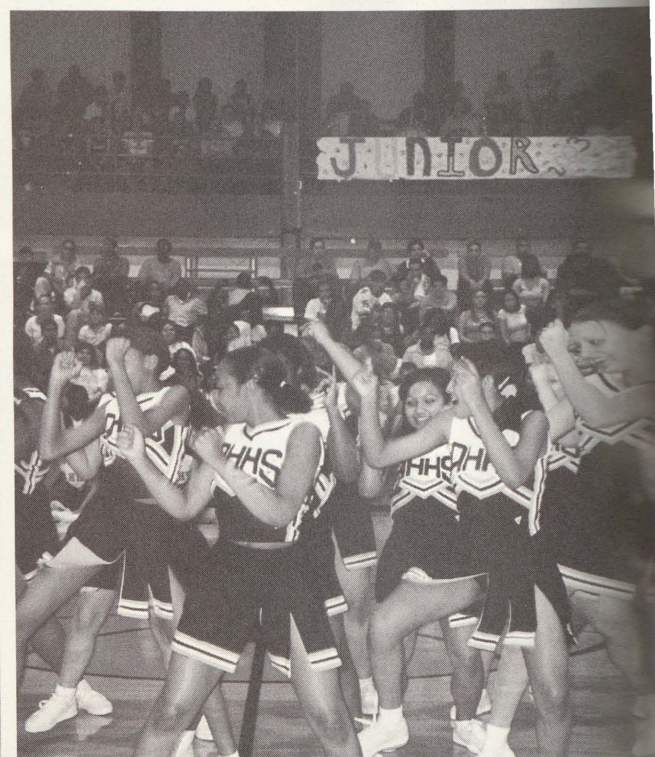

On Friday, Sept. 28th, Jacks celebrated with a Homecoming Parade down Adams Blvd. before the football game, which the Hillites went on to win against Flint Southwestern academy later that night.

The After Magic

In spite of the fact that Homecoming came abnormally early this year, the anxiety and excitement of the upcoming festivities surged through the veins of jittery Hillites for the entire month of September. The celebration began with an invigorating and emotional pep assembly on September 27; it was followed by a stunning Homecoming parade and game, and it ebbed with an enchanting dance in the gym. The Lumberjack varsity football team not only dominated the field the night of the game, but they left a defeated Flint Southwestern with a score of 26 to 6. The class of '03 won first place in the float competition. Nerves ran high as the seniors and juniors exhibited their floats with pride; nevertheless, the juniors obtained the title for the third consecutive year.

Michaela Garth and John Wetzel share a special moment during the Homecoming parade.

Memories and snippets of this year's Homecoming activities will remain tucked inside each pocket and heart, awaiting the chance to dazzle and charm whenever a Lumberjack takes the time to look through 2002.

King Arthur's Court

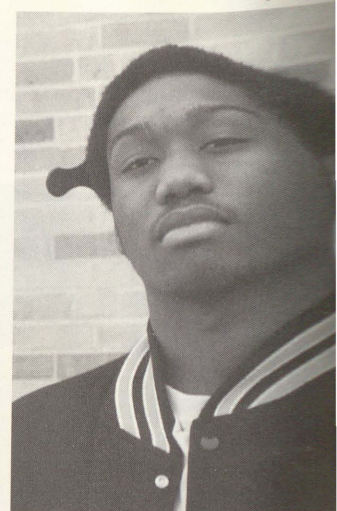

Jack Schultz

Seniors will never forget this year's King Arthur assembly. With tradition, the court was introduced by the homecoming court, who had written poems for each candidate. The nine nominees for this year were David Prudhomme, Pierre Lenoir, Jack Schultz, Eric Tarras, Jarvis Choyce, Clifton Ryan, Jamar Humphrey, Andre Westbrook, and Marcus Jones. The court was escorted by the Pom Pon squad.

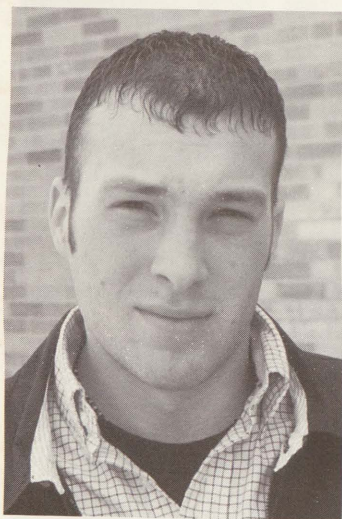

The crowd was entertained by the cheerleaders, Pom Pon squad, the homecoming court, and King Arthur's Court. The seniors kept the crowd rowdy throughout the assembly.

Sir Gallahad was Jamar Humphrey, Sir Lancelot was Andre Westbrook, and the 2002 King Arthur was Marcus Jones.

SNOWBALL 2002

Once again, students had a great time at the annual Snowball Dance, which is a time for students to get out and have some winter fun. Due to snowdays, the dance had to be rescheduled, which decreased the turnout; however, a great time was had by all who attended. Junior, Carita Wilson said, "This year, we had a small turnout but it was great; next year will be hype." The dance provided a wonderful time for students to get out and warm up in great company during the cold winter months.

Students Show Culture

This year's Black History Assembly was a wonderful learning experience for all students. It gave everybody the chance to learn more about different cultures and the way they do things such as tell poems and stories about their life. The assembly consisted of poems and dances that were performed by Linzy Ronneshia, Joann Rushdan, Shontaye Moore. There was also a discussion about races and racism, the latter of which most students know does not exist at Arthur Hill. The assembly did an excellent job to bring students together in a culturally educating manner.

Students Celebrate Winter Season...

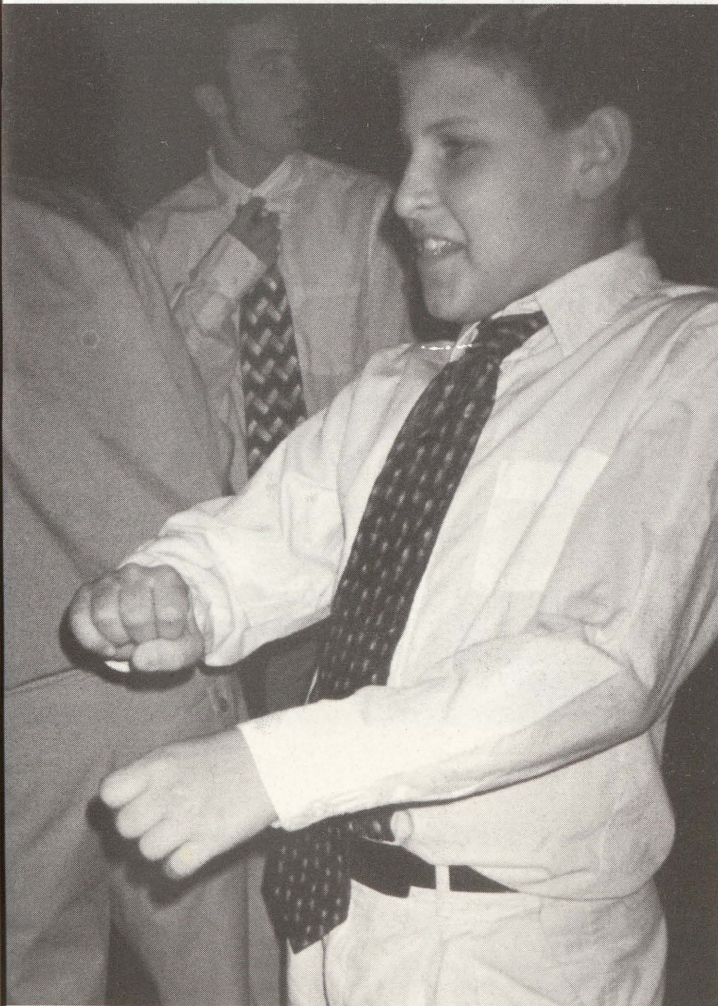

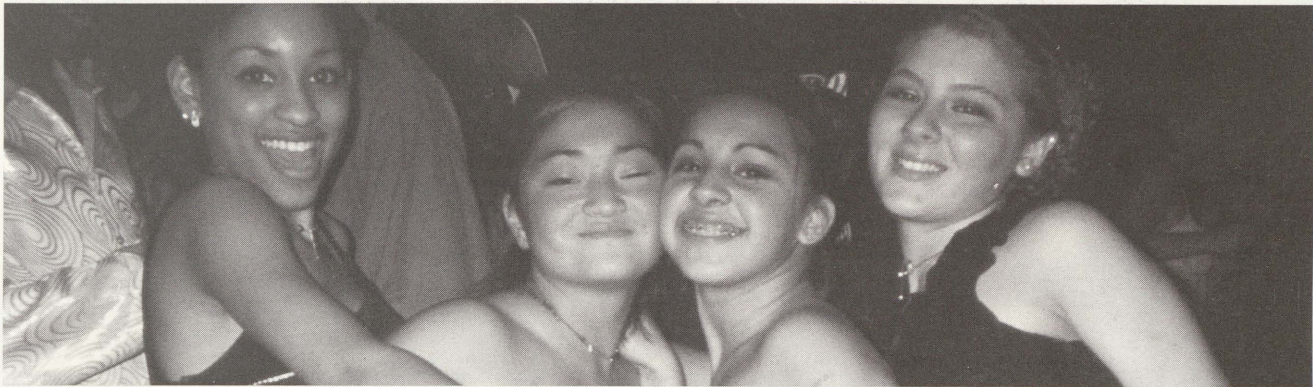

This winter was packed full of fun for the Arthur Hill Lumberjacks. The Jacks participated in many winter sports including boy's swimming, boy's basketball, wrestling and girl's volleyball. All teams did very well this season.

The students also had a great time celebrating the winter season with the annual Snowball dance on February fifteenth and the King Arthur's Court Assembly.

Board and Administrators Work Together

This year, our administration and the school board have worked together to ensure safety and education as priorities here at the Hill. Under the new guidance of superintendent Dawkins, the Board and the administration have made strides to guide Saginaw Public Schools into new and innovative directions.

The administration is headed by Principal John W. Paine and Assistant Principals Edward Whitney, Winston Adams, and Mercedes Perez. This year, new American challenges brought about by the September 11th terrorist attacks have rippled into the schools as well. The administration and School Board have risen to the occasion and have taken extra measures to make Arthur Hill the safe, pleasurable, and educational place it has always been.

Teachers In Action

Janitors and Cafeteria Staff Work to Keep School Clean and Students Fed

Looking through 2002, you see them everyday. They clean up everything from the floors to the bathrooms. They serve food during 10 min. break, and during lunch. They help keep the school running. They are our janitors and our cafeteria staff.

The janitors work hard to keep the school clean and presentable. They engage in jobs like sweeping, mopping, waxing, and much more. If it weren't for them, we would be walking around in a school that was less aesthetically appealing.

The cafeteria staff also works hard. They prepare the food for students to eat, they serve it to them, and they then clean everything up. If it weren't for them, a lot of students would go hungry.

The janitors and cafeteria staff works hard so we can have things the way that we have them. We don't usually see them working because sometimes they work before and after school. The work for us and they do a lot. We thank them for their time and effort to help this school in all the ways that they do. ~ By Sarah Flora

Secretaries and Media Specialists Work Hard

Right: Filing papers is just one of the many daily tasks our secretaries perform.

As always, the secretaries did a great job this year keeping our school organized and cheerful. It always made our day to go into an office with a question or concern and be helped with a smile by one of Arthur Hill's secretaries.

The Media Center Specialists worked hard this year as well. They were busy organizing new materials, programming new computers, and helping students find information regarding homework, projects, colleges, and a host of other concerns and interests.

As we look back through 2002, we are very grateful for the secretaries and media specialists.

Parapros

Throughout the year, the para-professionals at Arthur Hill could be seen in all areas of the building taking care of the students' needs. From keeping the building safe to helping with individual questions and concerns, the parapros were continually visual and active within the school environment.

The Language Arts Department at Arthur Hill provides a multitude of experiences and opportunities for students.

In Mr. Fish's creative writing class, for example, students write and produce their own books and CDs and sell these items at amazon.com and highschoolpoetry.com, an activity that has been covered by the Associated Press, National Public Radio, and a host of local, national, and international news media sources.

In other classes within the Language Arts Department, students learn the fine arts of reading, writing, speaking, spelling, analyzing, synthesizing, and evaluating. Mrs. Oliver, the head of the department, ensures that students are provided an opportunity to read a broad spectrum of literary masterpieces, from short stories such as *The Most Dangerous Game* and *Lady or the Tiger*, to novels such as *Moby Dick* and *Huckleberry Finn*.

Looking through 2002, students traveled the world from their desks in the Language Arts Department at AHHS.

Math Prepares College-Bound Students

Here in the Arthur Hill Math Department, there are only two classes intended solely for senior students. The Core 7,8 Pre-Calculus classes are the most challenging offered. Math teacher, Mrs. Bosco, states, "Senior math is expected of all serious college-bound students, especially those focused on business or technology. Students are challenged to think and work with more intensity. It's an opportunity to work on those study skills and the math skills that are needed for college."

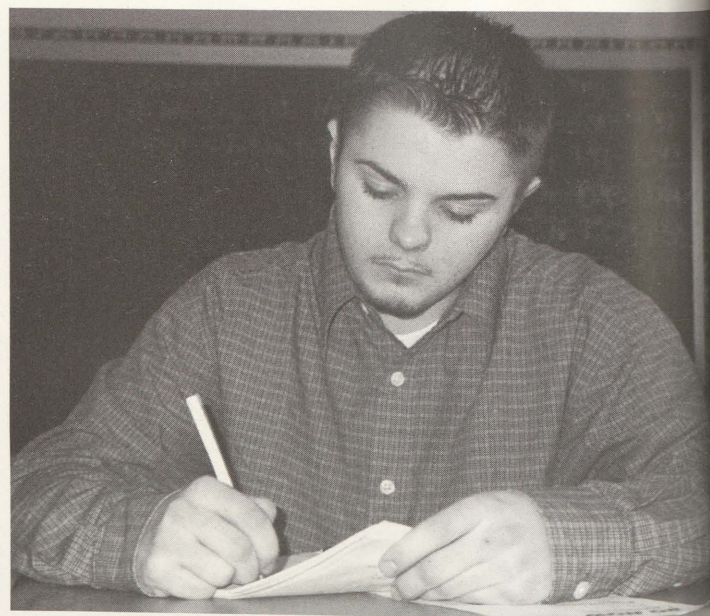

Due to the hard work of Mrs. Bosco and her students, the seniors are given the occasional break. But remember, "It's not a free day," says Bosco, "It's a Student Appreciation Day!"

Science: Bringing hands-on learning to AH students.

Science at Arthur Hill has always given the students the opportunity to have a hands-on approach to learning science. The classes that were available for the students this year were human biology, advance biology, chemistry, medical technology, life science, physical science, astronomy, and physics.

This year's student teachers for science were Mr. Matt Miller and Mr. Brent Smith. They are here at AH for the opportunity to teach through the teacher alternative certification program.

The head of the science department at AH is Mrs. Pam Thompson, who also teaches chemistry. She says that "this year was a very exciting year for all science classes," and adds, "I'm excited for the new things that are coming up in the future."

Social Studies comes alive!

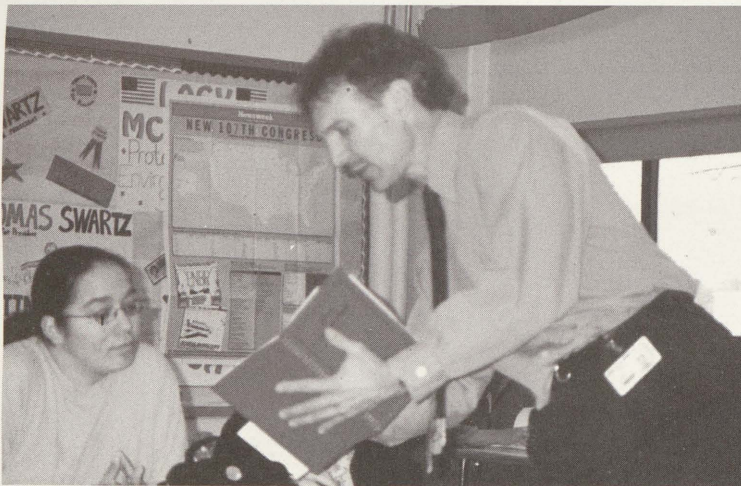

Students are learning information that they really need and it leaves them wanting to know more about our country and our world.

Social Studies covers a very broad range of classes that include: Government, Economics, Geography, US History, Psychology, and Sociology. Teachers have been involving students, rather than simply teaching out of a textbook. Government teacher, Mr. Gravlin, and his classes closely watched the aftermath of September 11th unfold on T.V. "The events of September 11th were emotionly shocking. I think that being in government class at the time of this tragedy helped to understand what was going on more. Mr. Gravlin was very supportive in promoting discussions about what had happened and how we felt about it those

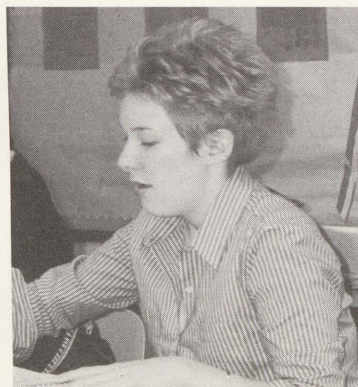

tragedic events.

Mrs. Tolleys' economics class got a taste of the real world pricing cars, trying to insure those students cars, how to a loan, buying stocks, and learning about paying the expenses of living in the real world without Mom and Dad helping.

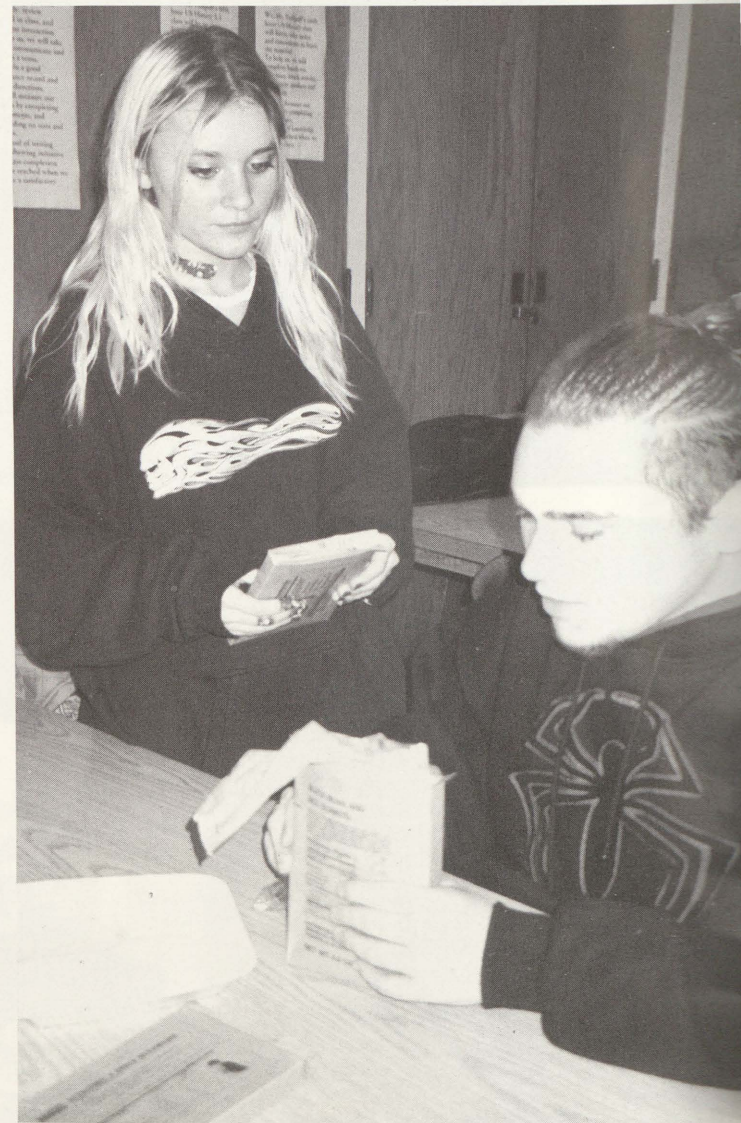

U.S. History teacher, Mr. Puffpaff, took his students on a to the Yankee Air Museum and brought in real artifacts from past wars for students to get a better understanding of war. They were even given the chance to get a real 'taste' of war when Puffpaff brought war rations in for students to enjoy

Elective Classes Allow Students to Explore Interests

Students choose electives that will serve them well beyond 2002. There are many elective classes offered at Arthur Hill. Whether it be psychology, music, or whatever else one's heart desires, there is a class here to fulfill each student's wishes. A few of the elective classes offered include sociology, accounting, journalism, art, crafts, public-speaking, and foreign languages such as Spanish and French.

When one asks Junior Erinna McKissick about her Spanish class, she describes it as "an enlightening opportunity to discover and analyze the exciting culture of the Spanish speaking world." Students will remember their electives when looking through 2002.

Saginaw Career Complex

There are two sessions to the Saginaw Career Complex, both of which serve students' needs in a wide variety of ways. The first session at SCC starts at 7:05 and ends at 10:05 a.m. The second session starts at 11:35 a.m. and ends at 2:35 p.m. Students can choose the time-frame that is most convenient to their busy academic schedules. In this manner, they are better able to create study strategies that will help them intelligently and methodically prepare for their futures beyond high school. Looking through 2002, one can easily see that the SCC students have learned the necessary skills to be successful in the real world. They are prepared to enter a lifetime of work, employment, study, and enrichment.

Organizations

Once Again, We DID IT!

Arthur Hill's 2001-2002 yearbook staff worked extra hard this year, preparing a first-rate yearbook. The staff came together to create the 2001-2002 Legenda "Looking Through 2002."

With an unusual start, we worked as a group to overcome every challenge that arose. With a new advisor, Mr. Fish, new staff members, and only 5 returning students, there was much learning to be done. We all stuck together with the determination of producing a great yearbook for everyone! And that WE DID!

Rachel Jasinski, editor-in-chief, ended the year by saying, "The year started really rough for us; with only 5 returning staff members, it was difficult. But after downsizing the class, we got things done. The staff did a great job this year. I am really proud to be a part of it!" *by-Erin Kris*

Working Hard to Spread the News

Students on the Arthur Hill Newspaper staff have very important jobs. According to advisor, Michael Puffpaff, "Students need to be ready to take on assignments the second day of class." The staff is busy all year, producing eight issues, including a twelve page edition at the end of both semesters.

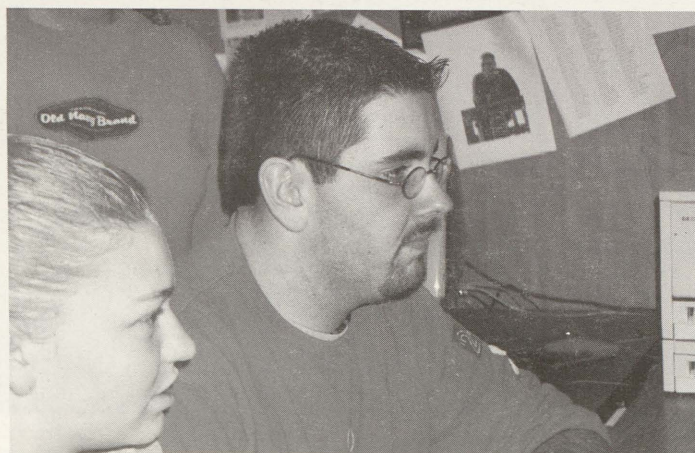

The staff puts a lot of work into publishing each issue of the paper. Photographer, Ashley Heinz agrees. "It's a great opportunity, and it's nice to have a say in what stories go into the paper." Staff members stay busy writing articles, taking pictures, interviewing, and doing many other things to meet their deadlines.

The staff has also overcome many challenges to get the paper out. According to Co-Editor-in-Chief, Linday Olson, "We had many new students on the staff this year, but they learned quickly and were helpful in making the paper a huge success."

They are given opportunities that range from behind the camera work, audio mixing, editing videos, controlling video mixes, and character generation of intros and titles. The students also learn the importance of the cameras as live newscasters.

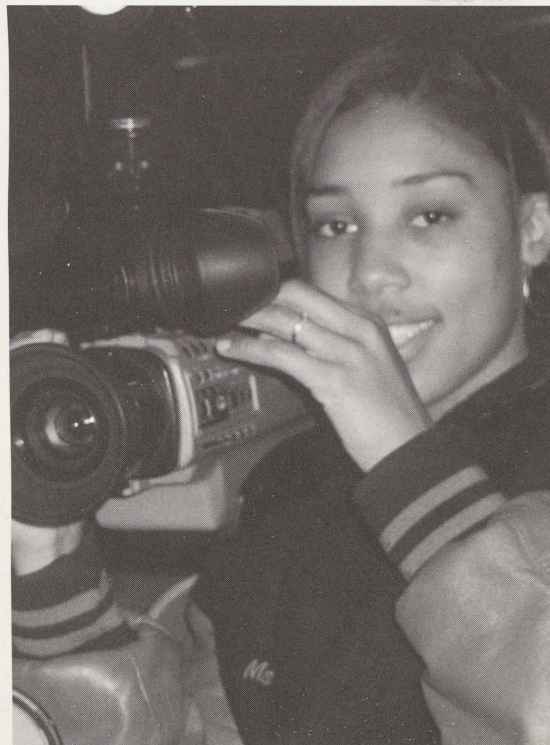

AHHN goes on live every day during advisory. It brings the students their daily news, club notes, sports, and daily activities. AHHN has been doing this for the past 8 years and is still going strong.

"AHHN has been a great experience...there was so much excitement I enjoyed every day..." says senior Candace Burns who has been part of the AHHN crew for 3 years. She also adds "I'll miss our friendly crew and Mr. Kabobel's five minute rush before every show."

Student Council Promotes School Unity

There were new faces on Student Council this year. The Student Council consists of 6 representatives from each grade. The advisor is Mrs. Kathy Canel. The officers are: President, Jimmie Andre Westbrook; Vice President, Sarah LaDrig; Secretary, Derrick Voltz; Treasurer, Jamar Humphrey.

Student Council organized and promoted many activities to intensify school unity; for example, they organized a spirit day in which students wore "God Bless America" shirts. They have also promoted other spirit days such as "Summer in December." Student Council also raised money to put up Arthur Hill street signs around the neighborhood to promote school pride and unity.

The Student Council hopes to keep helping the school; their efforts are sure to be remembered when looking through 2002.

SING!

SING!

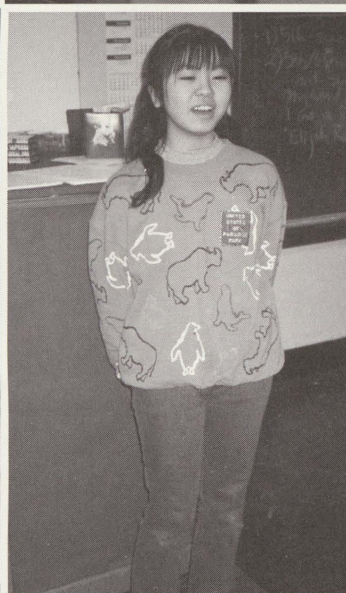

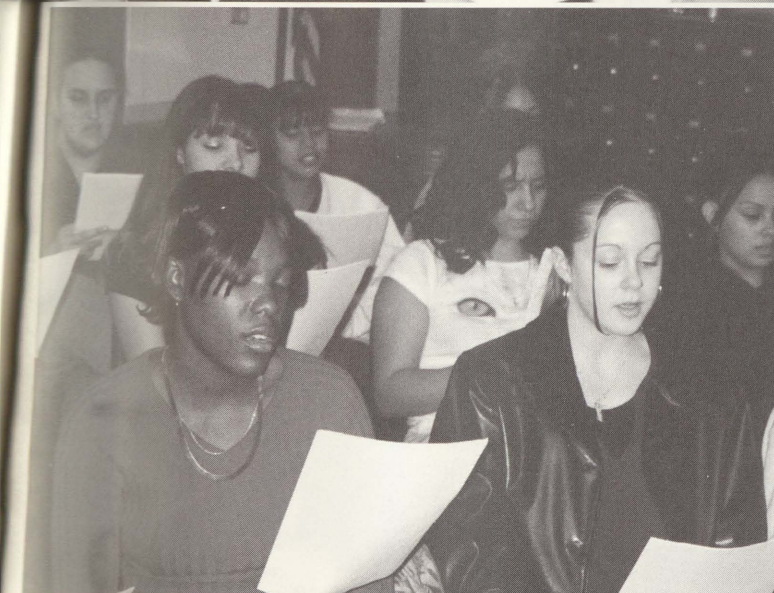

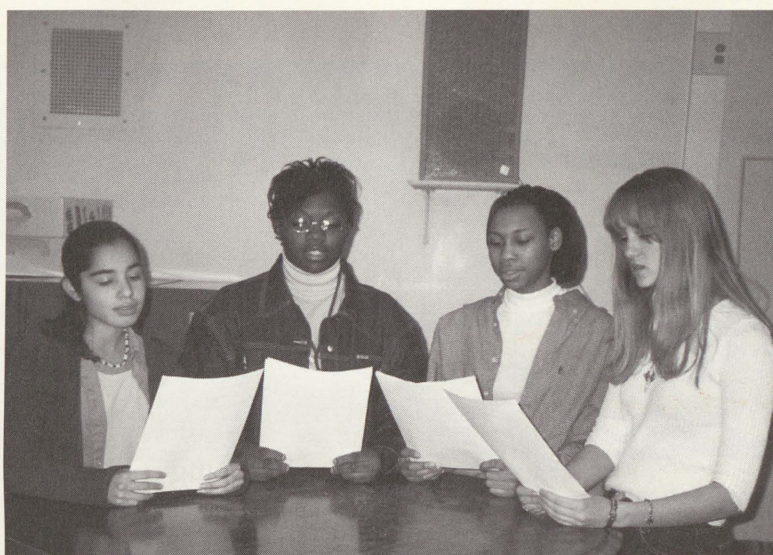

SING!

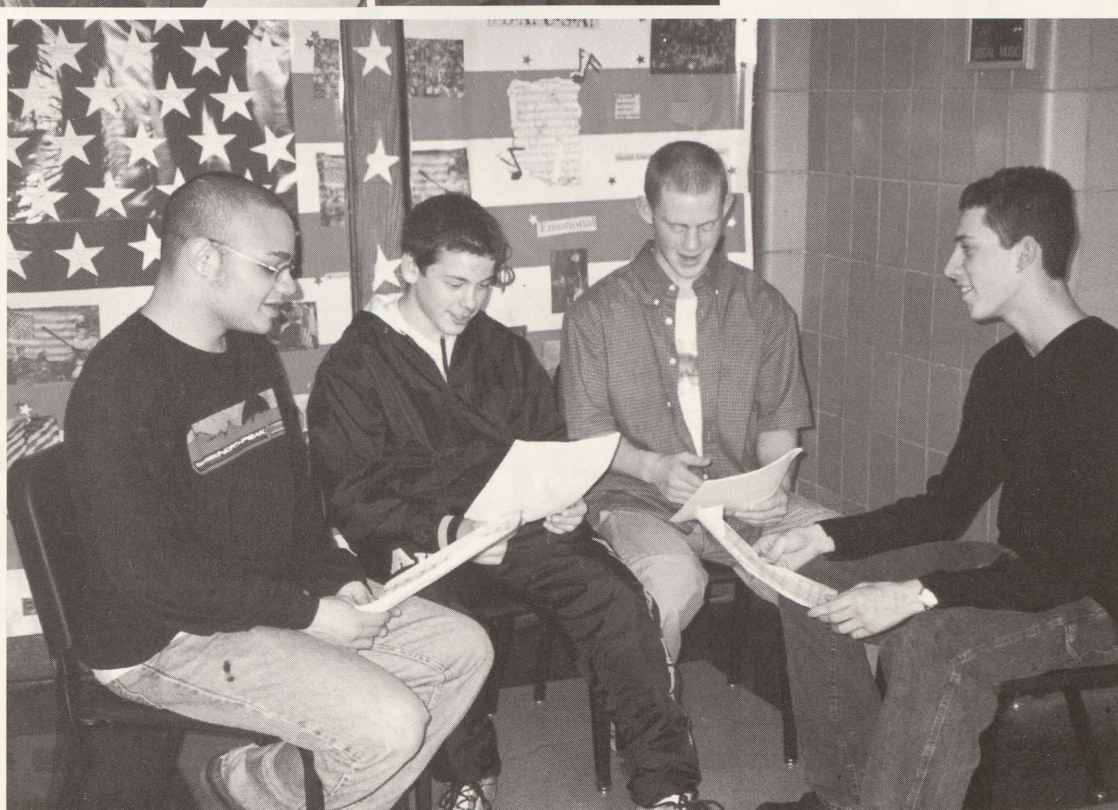

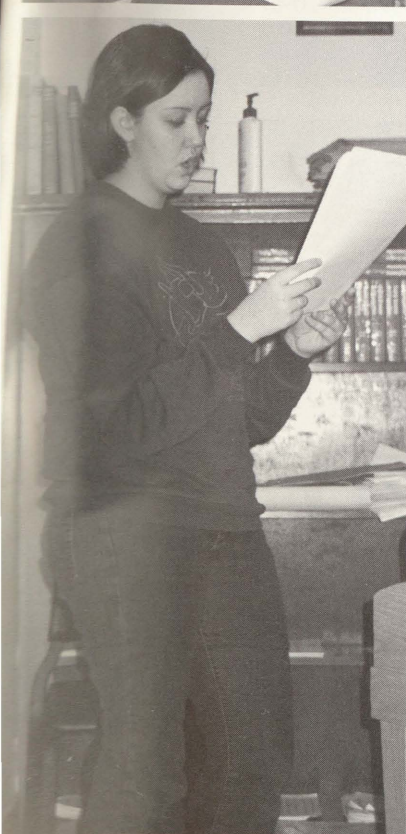

This year the AHHS choir spread its wings through various public service projects. They put on a daytime performance for the enjoyment of the Hillites and the faculty and also an evening Christmas program targeted for the listening pleasure of the members' families and friends. During the Christmas season they made it a priority not only to visit but to share some culture and tranquility with less fortunate people at various nursing homes, including the Davenport Manor, Luther Manor, and McBrite Manor. The Arthur Hill choir, under the direction of Ms. Kohut, has blossomed and matured over the course of this school year, leaving a trail of anticipation for the masterpieces and successes to come. -----Erinna McKissick

Soul Choir Is Back!!!

Returning this year, advisor Mrs. Coleman decided to bring back the Soul Choir. With a rough start and with only a few members, they all worked together to pull off a great year. Throughout the year, they were involved in many community activities, with a special honor of being invited to sing at Delta college. We would just like to say great job to all the participating members this year.

Key Club and SADD reunite once again

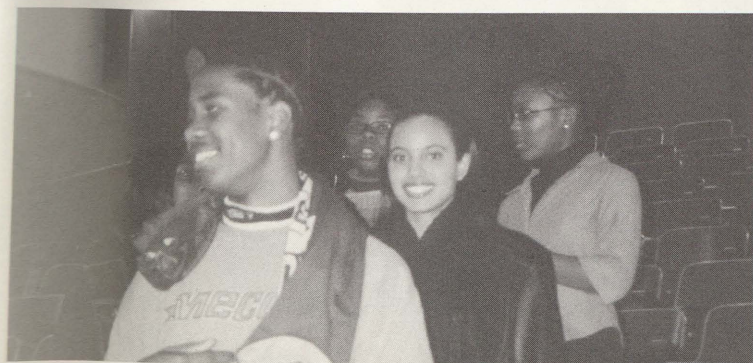

The Key Club and SADD (Students Against Destructive Decisions) have once again brought together two of the most constructive groups in America. The Key Club is a charitable organization and a branch of the Kiwanis club. It is the largest high school service organization in the world. Working together SADD and Key Club members raise money to help others in need. This year's Arthur Hill chapter has 42 members. Thes officers include Mrs. Coleman - Advisor, David Davis - President, Rosalind Johnson - Vice President, Secretary - Tekela Mitchell, Treasurer - Tommie Brown, Bulletin Editor - Angela McCloskey, Judge/Secretary - Tadric Robinson.

Black Studies Club

The Black Studies Club had a great year this year. Mrs. Coleman, advisor, and all the members put a lot of hard work into everything they did.

The club was involved in many activities this year. In December of 2001, they put on a Celebration Kwanza dinner for friends, family, and the community. In January the club also contributed to the Martin Luther King celebration. During the month of February the BSC put forth a lot of hard work into the Black History Month Assembly. Towards the end of the school year the club also put on an African Attire day, showing the different kinds of clothing worn. Many other things were done, these mentioned were just a few. A lot of hard was put into this year and we thank them !

Latino Action Club

This years Latino action club was lead by their president JoAnn Elizalde. Ms. Ramos was the club's advisor. The Latino action club worked hard this year to accomplish what they wanted. This year, the club formed a group that put on a fashion show that premiered in May. They held mother/daughter and father/son banquets, and they had a Cinco de Mayo Float. They also sold carnations for Valentines Day. The members of the club had candy sales, and the two top winners took home a giant bear. There was also a lock-in at the Mexican American Council. The club had an end of the year trip, and the club was invited to go to Michigan State University for the ALSAME Leadership Conference. In the end, everyone was satisfied with the year.

Behind the Scenes of the 2001-2002 Marching Band

Looking through 2002, behind the scenes of the marching band comes a big success. With director Mike Curtiss and John Wetzel and Erin Wortley as drum majors, a lot of hard work was put into this year's band.

Practicing every day in class, and occasional practices outside of school, they perfected their moves. Learning and practicing instruments, marching, and to not play out of tune has been accomplished.

Every year the marching band participates in three big parades. This year's parades included: homecoming, the PRIDE parade, and the Cinco de Mayo parade. The Christmas and spring concerts are the two major concerts played every year for friends and family. A lot of preparation, organization and cooperation went into all these events.

This year's marching band did a great job "looking through 2002."

Jazz Band Rocks Through 2002

This year, jazz band studied many different styles of jazz, pop, and rock music. They performed in winter and spring concerts. They also performed for the student body at the Cinco De Mayo assembly. The jazz band plays for special events in the Saginaw area. They practice for any upcoming events they might have.

Drumline Works Toward Another Championship

Drumline members have worked extra hard this year to prepare for competition. Senior leader Jacob Johnson says, "The music for this year's show is based on Romeo and Juliet with a twist of the rock group Tool." Drumline members did can drives every Tuesday; they had a bowl-a-thon and a spaghetti dinner to help raise money to fund their many trips. Throughout the year, the drumline has entertained us in many different ways: they kept the crowd up-beat at the football games as well as the Homecoming, Pride, and Cinco de Mayo parades. The drumline has done an excellent job for school pride and spirit this year.

Social Studies Club Keeps Busy

The Social Studies Club had a great third year. There were many new members. The Social Studies Club is the parent organization for the Debate Team, Mock Trial Team and Quiz Bowl Team. The club advisor was again Mr. Kieran Astley, and he has helped the students develop the club into what it is today. This year, the club was involved in many activities like the State of Michigan Mock Trial Competition where they compete against other students. They also competed in Social Studies Quiz Bowl. They raised money for all these activities with bake sales. The club finally created the Debate Team which had been previously persued. The members of the team have worked hard this year and are sure to be doing the same in up coming years.

Ecology Club Beautifies AHHS...

The 2002 ecology club had another great year and a busy agenda, including the re-landscaping of Arthur Hill's stadium and memorial. The club also participated in the 3rd year adopt-a-highway project on Interstate 675 cleaning up the highway three times this year.

The ecology club is made up of a group of students who have a unique desire to maintain and care for the natural resources of the world we live in. And Jamila Selby, one of the club's graduating seniors puts it best, saying, "we had lots of fun working on the memorial landscaping project; thanks to Mr. Kluck (last year's Honor Alumnus) we had funding to plant fire-bushes and trees.

Overall, it was a very productive year; and I'll miss the 'tree huggers' next year." The eleven members with advisor Celeste Conflitti have done a great job beautifying our school through hard work and dedication to the environment. The 2002 ecology club had another great year and a busy agenda.

YES Club Inspires AHHS Youth...

The YES club, or Young Educators' Society, had another great year. At AHHS, the YES club provides an opportunity for students to explore teaching as a career. It also provides them with a realistic understanding of teaching and encourages students

from diverse backgrounds to think seriously about teaching as a profession. The YES club is also very good about taking time out to help in our community.

This year, the members of the YES club were active in their membership with help

from advisors Mrs. Gibson and Mrs. Gonzales as well as the club officers. This year's officers were President, Tyler Schneider; Vice President, Karena Randle; Secretary, Kelly White; and treasurer N'Keyda Randle. Together the members held many fundraisers including

the selling of red ribbons for "drug-free week" and participation in the AHHS Holiday Bazaar. The club was also very generous during the holidays and sponsored a family by giving them food, clothes, and toys. Overall, they had a great year and are looking forward to next fall.

Drama

Club

Toys take over Christmas

Drama Club is one of many clubs that students can join at Arthur Hill; it is a club for students who are interested in viewing or participating in plays. They also become the clowns in the Homecoming parade. Under the supervision of Ms. Linda Rebney, the club presents two plays, one of which is the Christmas play performed for children and families in the community. Looking through 2002, one can easily tell that all members of the Drama Club had a wonderful time putting together plays and learning about the art of drama

TECH CLUB

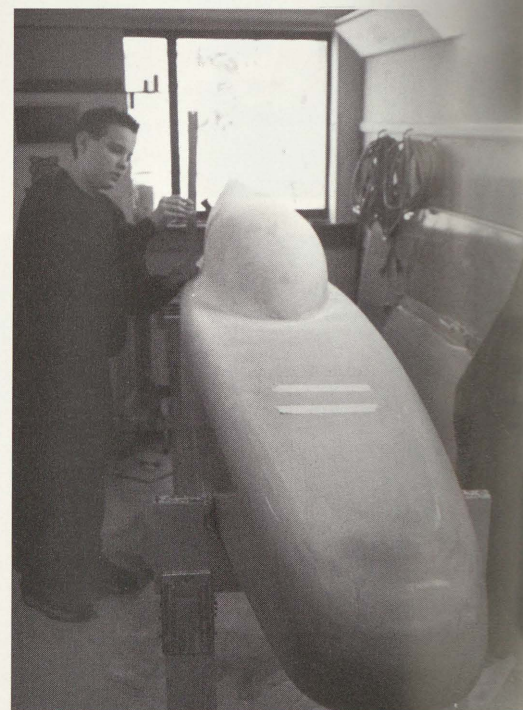

The Team DiVinci, led by Tech Club advisor, Mr. Isotalo, prepared throughout the year to build and prepare their vehicle for racing. Hoping for the same results as previous years, which included national championships in 1999 and 2000, the Tech club divided into their usual five teams and constructed their vehicle.

The five teams include a group that constructs the body of the vehicle, a group that handles mechanics; another group that puts together the electrical components of the vehicle; and another that handles brakes and windshields. Looking through 2002, the Tech Club hopes to reflect upon another succesful and victorious endeavor.

A New Meaning

This year the outdoor club has shown a new meaning for a long time member. "When you're out in the woods, you can't be anyone but yourself," said a junior Erik Smith.

In the past my perception of The Outdoor Club has been camping, being dirty, and walking a whole lot. It never occurred to me that a person could find themselves out in the wilderness. "There is no one to impress. You can't make your hair pretty, put on make up, wear nice clothes, or good shoes."

Wow, that sounds tough. But for Erik it wasn't. "Being outside feels good. Just be yourself and you'll find out that in the outdoor club we'll like you no matter what you act like, as long as you are yourself."

Erik has participated in numerous events since he was a freshman. And it has been "Nothing but fun."

This year a few trips have been cancelled but the trip to the Mackinaw Bridge on Labor Day was a good trip.

Jacks surprise everyone

After two consecutive 2-7 seasons, the Arthur Hill Lumberjack Varsity Football team surprised everyone by finishing their 2001 season with a 5-4 record. Coached by Jim Jones, this year's team was led by hard-working seniors and impressive underclassmen.

"In the five years that I have been the head coach, I have not had a group of senior players work harder or have such a commitment as this year's group of seniors," Jones said.

As has been the case in past seasons, the defense was Arthur Hill's strongest unit. That defense, led by All-Valley senior linebacker Cliff Ryan, had some outstanding games, holding Flint Central, Flint Southwestern and Bay City Central to six points, and shutting out Flint Northwestern.

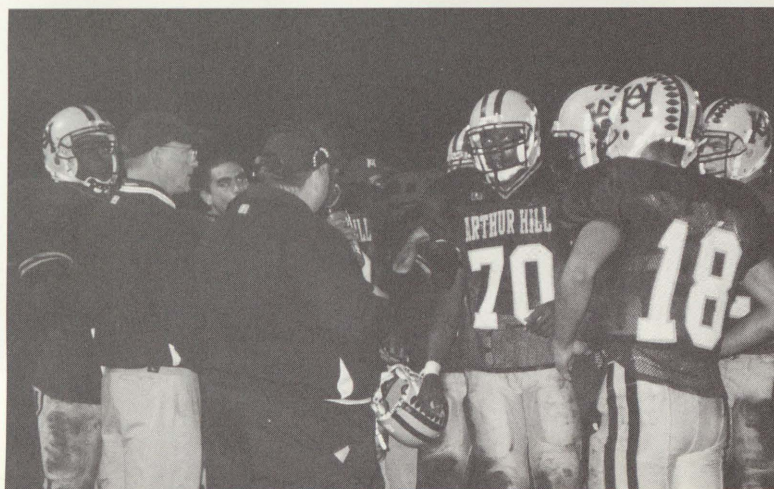

The offense also had its good games, with outputs of 27, 26 and 28 points. The offense was led by seniors Shelby Davis and Eric Tarras, and sophomores Melvin Williams and Justin Foster.

The Jacks were hurt by fumble problems at the start of the season, but were able to turn the season around and come up only playoff-points short of making the postseason.

J.V. Football Does Their Best

"This year J.V. football team was small in numbers but large in heart this year", says coach Jim Church. Even though their record doesn't show a successful season, they still pulled together for a win over Flint Southwestern. The team worked hard and improved throughout the season. The team's most memorable moment was when they played undefeated Heritage. There was only 11 seconds left in the game and the score was tied. Heritage came back and won it, but in AHHS's mind it was still a victory. The team was led by captains Chris Wajer, Adam Emmenecker, Kory Davis, and Sean Coffey. The coach's overall feelings on the season is "He sees hope for this group as they move on to their varsity career".

A Future In Progress.

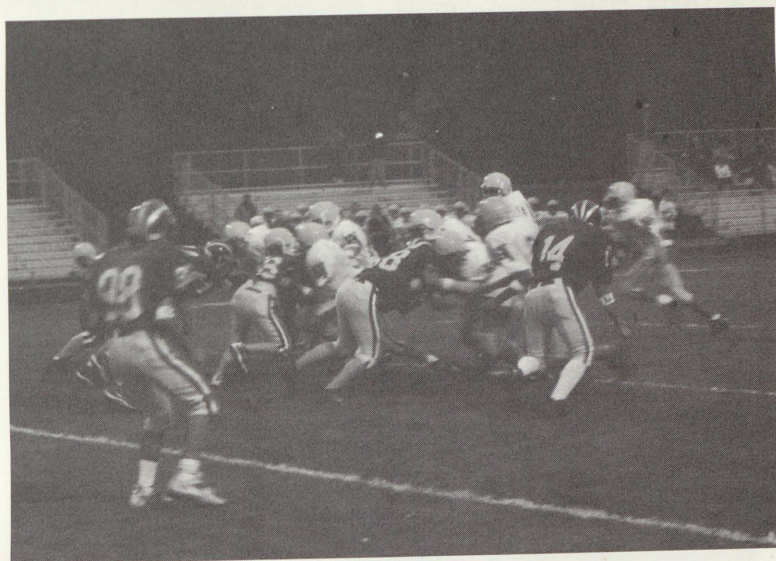

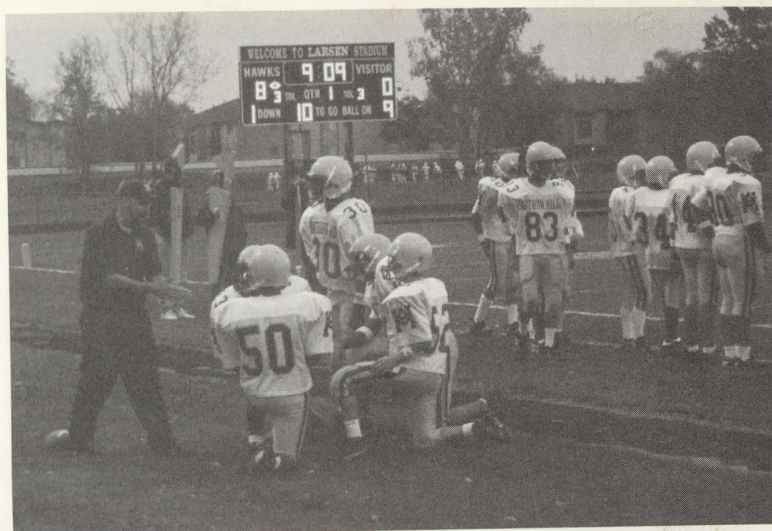

The Arthur Hill freshman football team worked hard in their first high school season. The team's first season was one of significant challenge, but they pulled through with both pride and honor, sporting a 1-8 record. The coaches for this year's team were Dan Decuf, Matt Young, and Wally Pelke.

"We obviously experienced some hard times. But the kids improved as the year went on," said Coach Decuf. He also adds, "Look for big things next year."

Tough Season For Boys Soccer

Jeff Topham and Brian Yaw made their second year as Varsity coaches a great one, despite a dissapointing 2-13 record. Captains Shawn Brown and Jack Schulz worked hard to keep the team together. Highlights include when they played Heritage and kept the score tied 0-0 until the second half and when Shawn Brown made All-Valley Second Team. On the season, most of the team thought they needed to have

more team unity. The team's defense was good but they needed to get the ball into the net offensively and they couldn't do it. Next season should be better with many skilled juniors coming back like Casey Arterburn, Kyle Gibson and Kyle Volz. A lot of talent is going to move up from J.V. also, allowing for the team to grow. The boys played hard this season, even if the record didn't show it.

A New Era

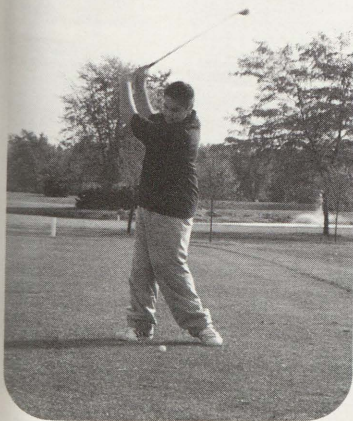

With the new coach, Dave Jacob, the J.V. Golf Team had a great season. The team recieved its first victory in three years. Jacob said, "There were no individuals on this team; it was a team effort."

After the team's first win against Bay City Central, their spirit went sky high.

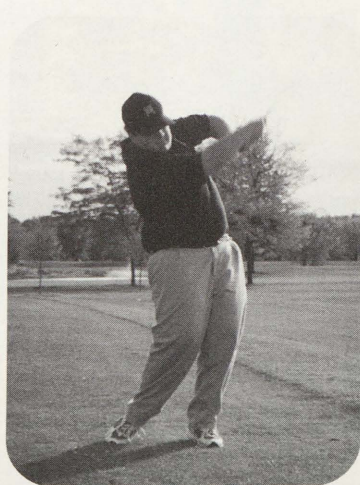

"We broke records and we had a lot of fun." said a team player, Tyler Ruppel.

They went on to win five more meets. Coach Jacob says that he intends to stay with the team. Sometimes, it is easy to underestimate what a J.V. Team can do, but the performance of this year's J.V. Golf Team was truly amazing.

Promises of Things to Come

The Varsity Boys Golf Team devoted a great deal of time to practice this year. "We spent a lot of time on the courses this year," said Coach Dennis Foster.

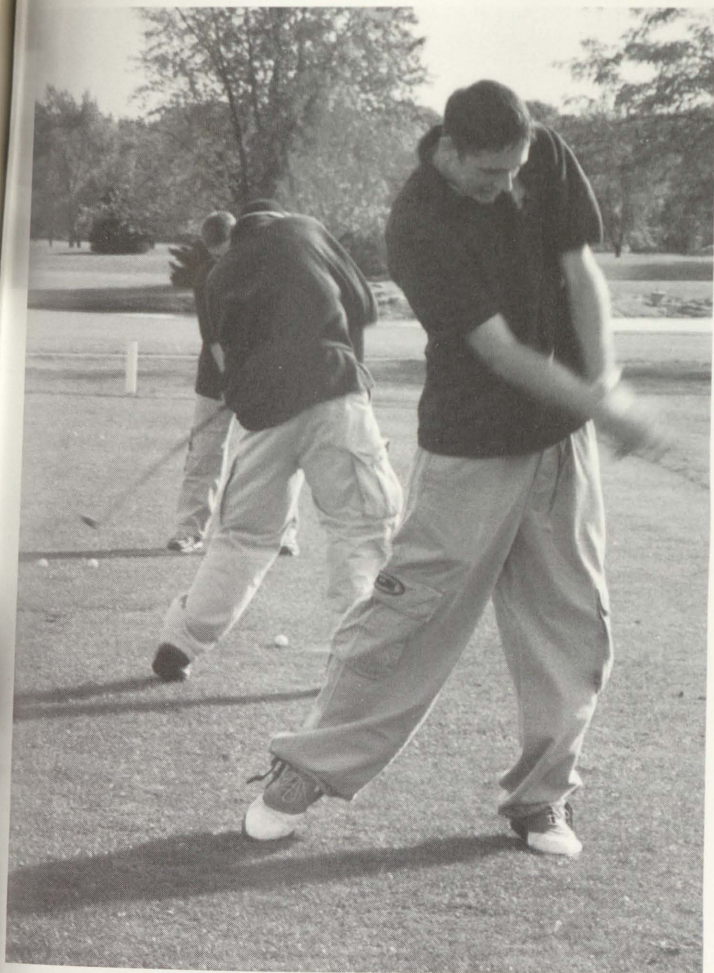

With a meet record of 2-12, they finished seventh in the Valley. The co-captains Mike Snook and Justin Kilgore lead the team. Other members included Brent Keaner, Andrew Barnes, Aaron Chipp, Marc Beaudin, Jake Albers, and Stephan Jahn.

Coach Foster also commented that the team had learned valuable lessons this year; and with all the experience that the players received this past season, there will be good things to come in the future. We look forward to a great next season with the returning members, Brent Keaner, Andrew Barnes, Aaron Chipp, Justin Kilgore, and Stephan Jahn.

Girls Swim Hard with Fresh New Talent

The Varsity Girls Swimming and Diving team had a great year with coach Steve Skelcy and new diving coach Lisa Collins. Captains Sara Hales, Lindsay Olson and Heather Jurens did their best to lead the lady tankers to victory. Their record was 4-6 and they placed 5th in the Valley with 125 points. All this was in part from new swimmers like Jessica Olson and Katie Sutter. The lower classmen were a large part of the success of the

season. The team is young and always growing. New girls will be essential for next year. Many of the girls broke their life time best recrds and will continue to be bonded for years to come.

Once again the Varsity Girls Basketball team had a great year. For the fourth year in a row the team has finished 1st in the Saginaw Valley League. Their final record was 17-3, losing only to rival Heritage who was the Class A runner up and Detroit Country Day who was the Class B runner up.

The team this year was loaded with talent and received much got recognition. They had Lakisha Freeman, who was chosen for the All-Area Dream Team; Ashley Harkins and JoAnn Rushdan, who were All-Area First Team; and Bryanna Patton, Savannah Price, and Charity Tate, All-Valley honorable mention. There were many highlights of the season, but the high point was when they beat rival Saginaw High, 48-42.

"It was the best game we played all year," said Coach Vonnice Killmer. "Our team worked very hard this year and they were dedicated."

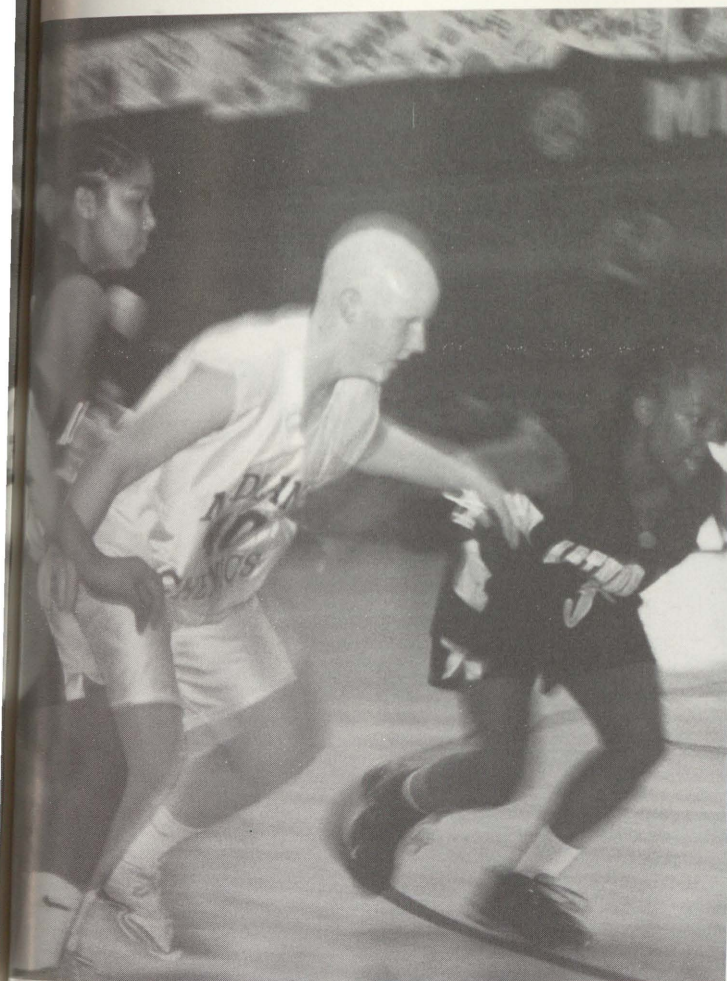

Killmer is one reason for the team's success. She has turned the program around and has started a winning tradition for girls basketball here at The Hill.

SHOOT HOOPS

The boys' and girls' basketball programs at Arthur Hill were in great form throughout each of their respective seasons. As the pictures on this page display, each of the players contributed hard work, dedication, and focus in each game and in each situation. The coaches were proud as they watched their players perform and play games not only with skill, but also with heart.

Another Successful Season for JV Girls

The Girl's JV Basketball season for the year 2001 has been a great success. The girls had ten wins out of a total of nine-teen games. Coach Wilson said, "This was a young team who made a lot of improvements." The team stated that their most memorable moment of the season was beating Saginaw High on their home court in front of a very large crowd.

Coach Wilson also said, "To have a winning season with such a young team should give the girls confidence for next year." Great job girls! Coach Wilson, captains Jennifer Hurge and CeCe Rodriguez, along with the rest of the team, have much to be proud of.

Rebuilding year costs team

Varsity Cross Country

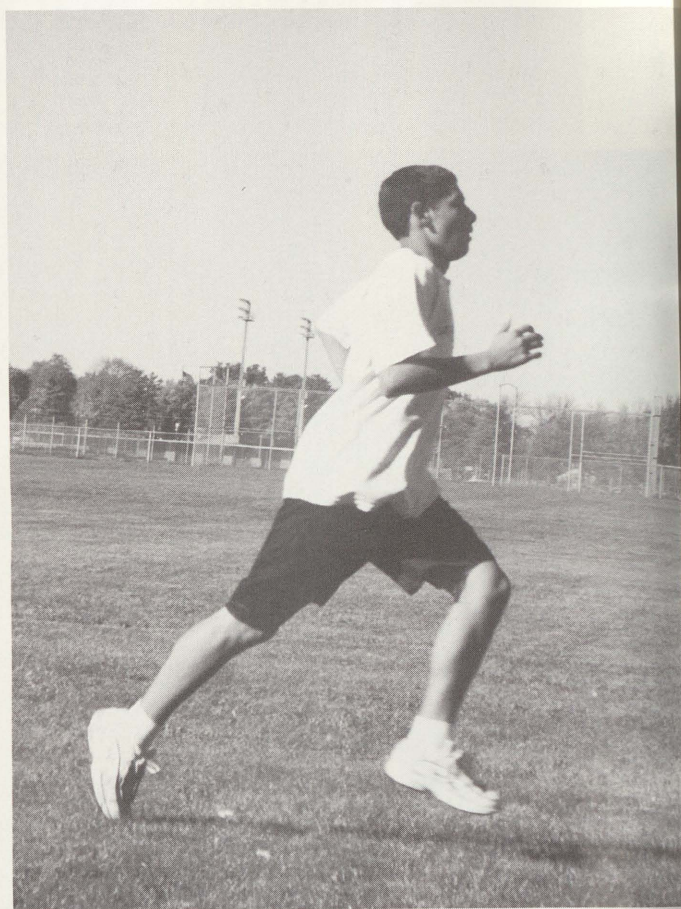

The Cross Country team had a difficult but productive season. It was a rebuilding year for the teams because they lacked enough runners to place as a team.

Alicia Garcia, Miranda Rodriguez, and James McGwire led the girls and boys teams with impressive times.

"Our runners continued to improve all season, it was unfortunate we couldn't place as a team this year hopefully next fall students will have more interest," said coach Mr. Martinez.

Times improved throughout the season for all team members. They all tried to make up for the fact that they didn't have full teams by pushing themselves and each other to work harder and get better.

Girls Tennis 2001

The girl's tennis team had a great season this year. The team, including eight returning seniors, worked hard from early August through October. The girls team pulled together and worked hard to raise money for a clinic at the Midland Tennis Center. Coach Roberta Bunch had a great second year coaching and said, "I was delighted to have our three senior captians named honorable mention of Saginaw Valley League, and I'll miss the seniors so much." Coach Bunch was also named coach of the year for the whole Saginaw Valley League. This season's record was 5-6, and the team is looking forward to improvement and another great season next year.

B-Ballers Take It to the Hoop

--By Erinna McKissick

The Varsity Boy's basketball team certainly stayed on top of their game this season. The team was composed of 14 talented young men who weren't afraid of making mistakes and learning from them to reach their goal. When sophomore Brian Moten was asked to reflect on the season, he commented, "It was a learning experience definitely. We had a lot of young players including myself; but as the season went on, I think we got better."

The returning players look forward to a strong and dynamic season; the varsity team will only lose two seniors. Moten fondly added that the best part of the season was, "...our four game winning streak and beating Northwestern." Senior Clifton Ryan said, "I'm extremely proud of the underclassmen. The good season gave them something to build on for the future. In spite of our record I feel that the season was a success."

The boys finished up the season with the district tournament game against Sginaw High. With adrenalin running high and the players staying positive, great things are anticipated for next season. Tune in.

J.V. Boys finish fun season with good record

Players move up, back down, win close game

The 2001-2002 Junior Varsity Boys Basketball team had an excellent season. Their 14-6 record included close wins and tough losses to city rivals. The Jacks were able to defeat the Heritage Hawks 52-45, but also lost to them 86-77.

They also fell to Saginaw High twice, by scores of 66-48 and 68-49.

Coach John Wilson said his key players for the season were "sophomores Mark Barnes and Lenard Thomas and juniors David Freeman and David Davis," he said. "Mark and Lenard in particular stood out."

The Jacks also saw two of its players move up to the Varsity team, sophomores Alan Crawford and Melvin Williams.

The team also saw players come back down to their team, including junior Chris Cross.

Overall though, the 14-6 record made things fun for the team.

"We won some close games," Wilson said. "And had a fun time doing it. This was a really fun season."

Freshman Basketball has a good first year

The 2001-2002 Boys Basketball season was two things, exciting, and unpredictable. It was exciting to the point that when we beat a team, we had fun doing so. The unpredictable aspect of the season was the fact that they were freshman; and like a box of chocolates, you never knew what you were going to get.

We finished the season with 16 wins and 4 spare losses. One of the great highlights was during our first game of the season verses Midland Dow. Midland took us to overtime, it was a very close game. In the final seconds of overtime Jermaine Amos made a fade away jump shot at the buzzer to win the game. Two of the heart breaking losses were to Saginaw High. We played well against them, but in the end Saginaw High prevailed.

I am very proud of this year's freshman squad, they came together as a family and stuck together until the end.

Varsity Hockey Team

A Memorable Season For Seniors

This past hockey season proved to be a rebuilding year with most of the team. With only 13 returning players the team had to look for fresh, new talent. The team gained lots of underclassman to teach.

The season started off with a few losses.

"Even though our hockey season started out slow, it was still fun," said Assistant Captain Marc Beaudin.

The season left its' senior players with great memories to take away from AH.

Beaudin added, "The whole hockey season was very memorable but the one thing that stood out was in

Kalamazoo when Brandon Simerson came into touch with our teams playing ability."

"The season went pretty well and we improved a lot even though our record doesn't show it," said Captain Jon Yanca.

The team was able to end the season with a season record of 8-12-1.

Assistant Captain Josh Armstrong had great memories of his years on the team, "My most memorable moment was playing hockey my freshman year with my brother." Yanca added, "The last four years playing hockey have been the best time of my life."

Together as A Team

This season, the girl's varsity volleyball team worked together as a team to accomplish many things. As the team went through changes during the season, they adjusted and came together.

"Overall, " Junior Andrea LaPan says, "we improved a lot since the beginning of the season. I think we did pretty well and we just had some really good times."

When asked what the highlights of the season were, Senior Celena Castillo says, "When we took second place in the Clio

Tournament, and when we took third in the M.L.S. tournament."

When Junior Andrea LaPan was asked she responded, "It was when we beat Heritage once and almost won the match. We really gave them a run for their money."

The team was a close-knit team, and they worked hard during the season.

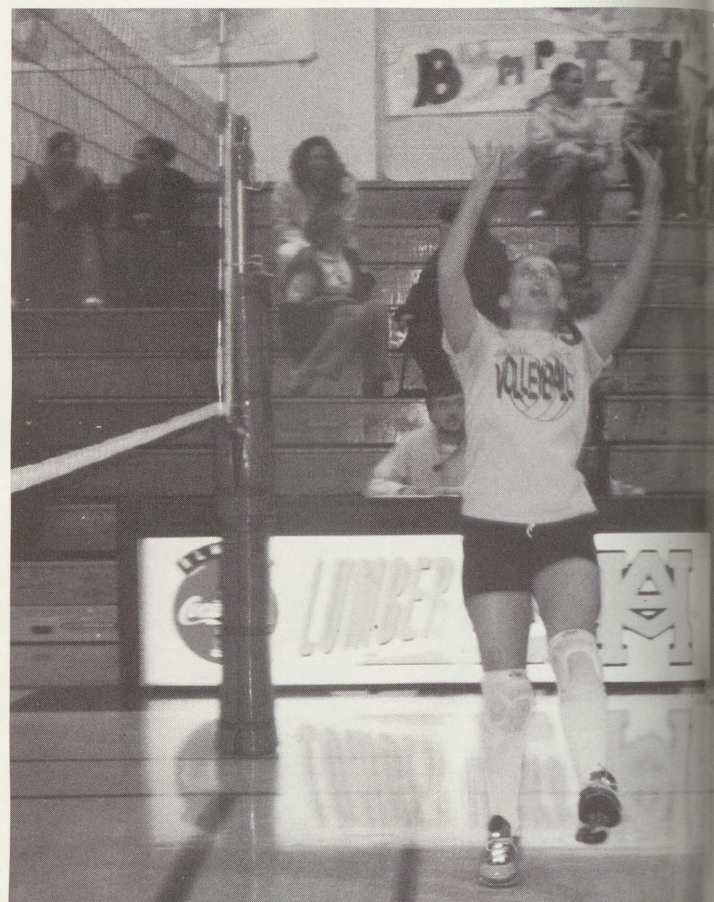

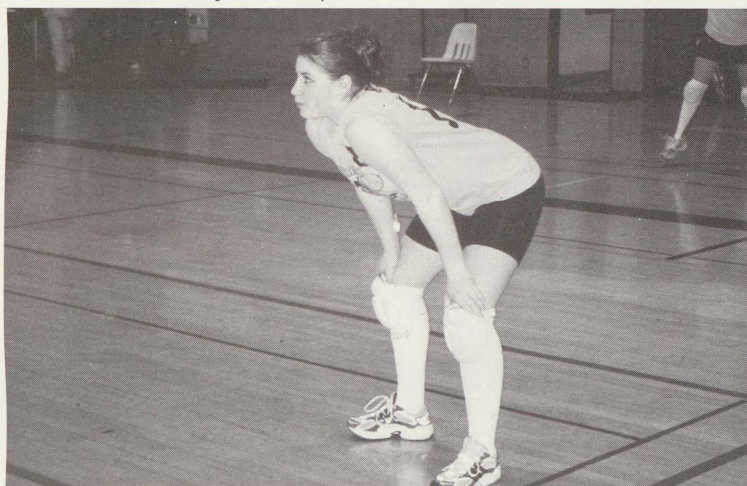

Senior, Teri Napieralski says, "As a team we did our best and gave 110 percent."

JV Volleyball Doesn't Give up

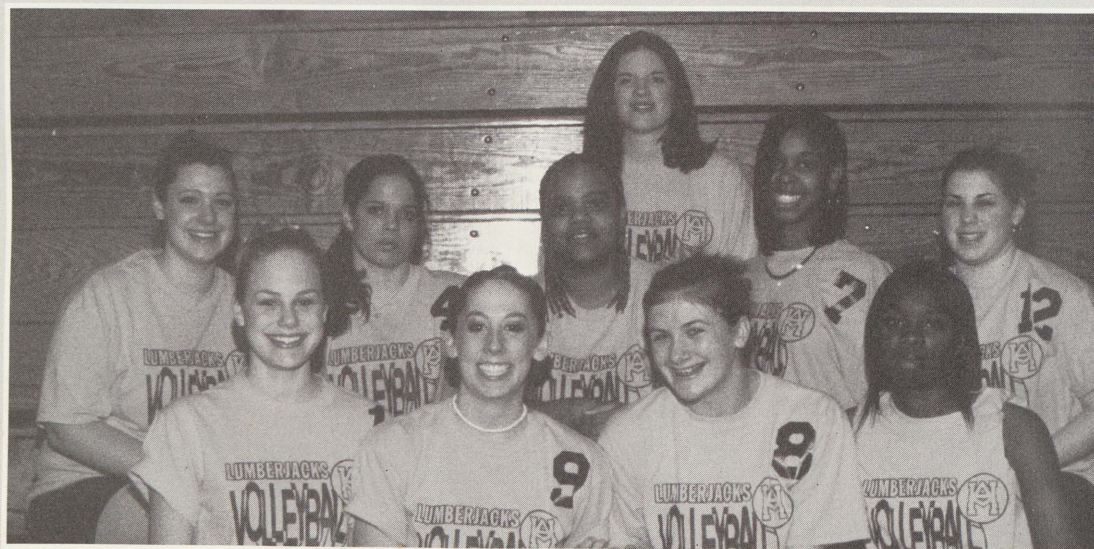

Another great year for Junior Varsity with help from coach Blu Edlinger. The team was made up of mostly sophomores, and their record of 4-6 showed that they had gained experience from the previous year. They had troubles in the beginning but didn't give up and finally came together in the end. They showed everyone they could play volleyball. Key players were Rulla Sika, Andea Rivette, Stacy Keene, Kari Dycewicz and Shon Atkins, who helped their team to many victories. From the way this season went, next year should be just as successful.

Freshman Volleyball

A Fun Learning Experience

The freshman Volleyball team started their season with a team of many girls who have never played volleyball before. Coach and former Arthur Hill graduate, Melanie McDonald, said of the season, "We learned, had fun, and won a few games." The team was led by captain, Autumn Chipp. Practices were held every weeknight, with 1-2 dual matches each week. The team

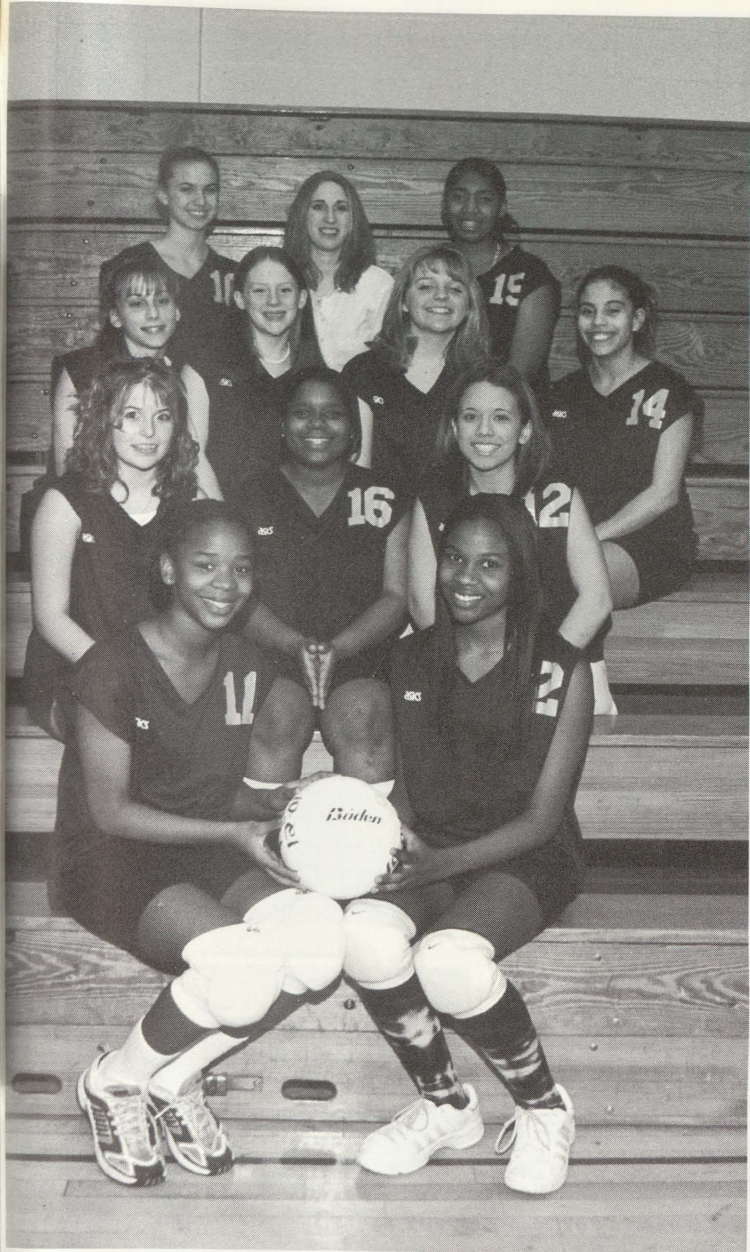

participated in many invitational tournaments, some as far as Clio. The team's season highlight was the victory over long-time rival Bay City Central. The freshman team proved that dedication and team work pays off.

Varsity “mat men” bring excitement to the floor.

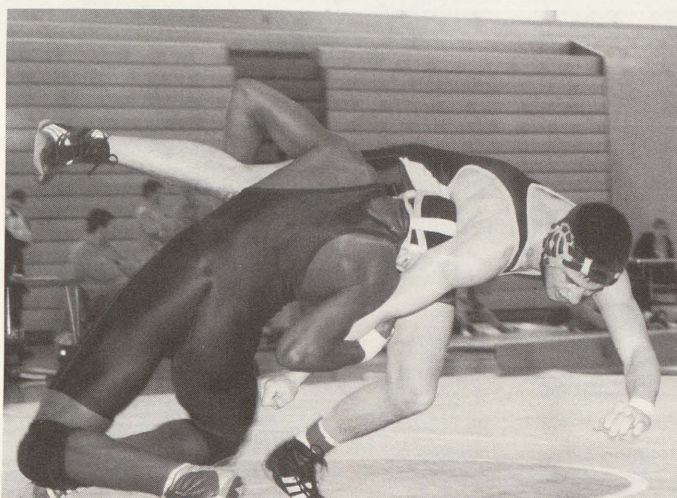

This year's Varsity wrestling team was dedicated to hard work. The grapplers took a great deal of excitement to the mats with a promising outlook for the team next year.

"Our team did as well as expected," Coach Escamilla commented at a meet this year. He expected only the best from his wrestlers.

"Our team is good; we are young and inexperienced, and many of our guys are just freshman and sophomores, and pulling their weight," said assistant coach Kinyama Sharper.

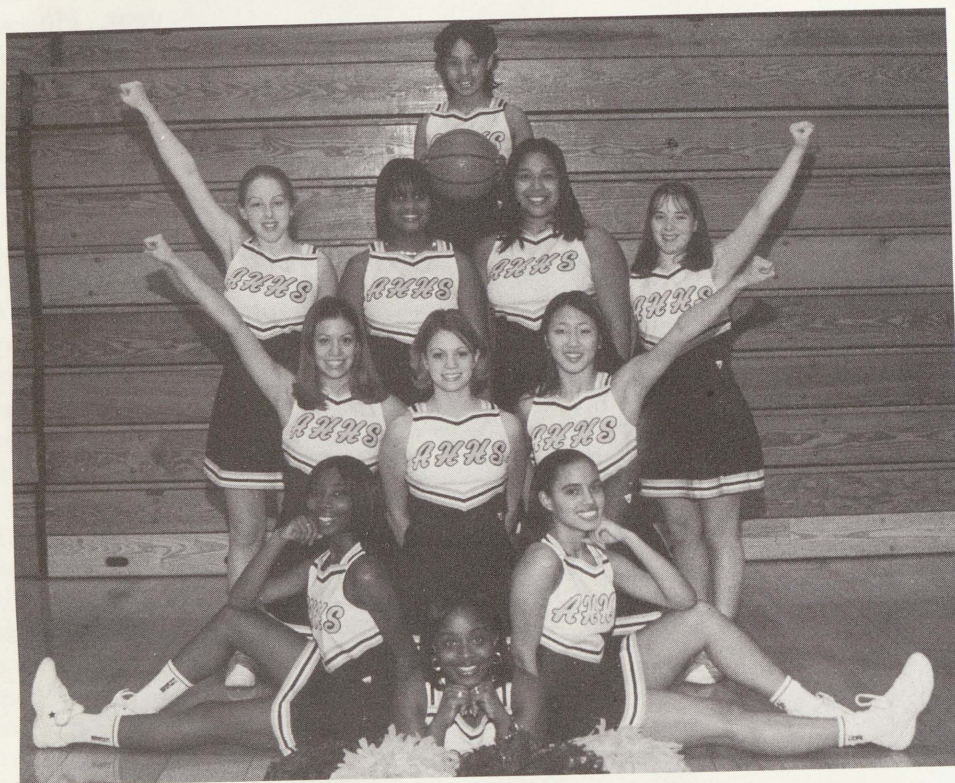

Junior Varsity has come a long way, even though this year's team had all of two wrestlers; the guys still worked hard lifting weights and meeting requirements. The coaches hope that more students will come out for the wrestling team.

Varsity Cheerleaders show style, spunk, and stamina!!

-----By: Erinna McKissick

Varsity cheerleaders have been extremely busy this year. Besides cheering at football and basketball games, practicing twice a week, and keeping both the crowds and Arthur Hill students hype, the squad also found time not only to fundraise but to also attend competition at Eastern Michigan. Under the management of Jenny Hoerauf this group of eleven dedicated, young ladies placed fourth in the cheering competition on Feb. 10th. Squad member, Erica Donald says, "We always come together. We never let color cause barriers between us. We are united."

JV gets HYPE for 2002

The Junior Varsity cheerleading squad kept "that super spirit up" all school year long.

The girls showed much improvement and enthusiasm with every cheer. The 10 ladies were coached by returning coach, Johnny Cage. His dedication brought the group high levels of inspiration and aspiration.

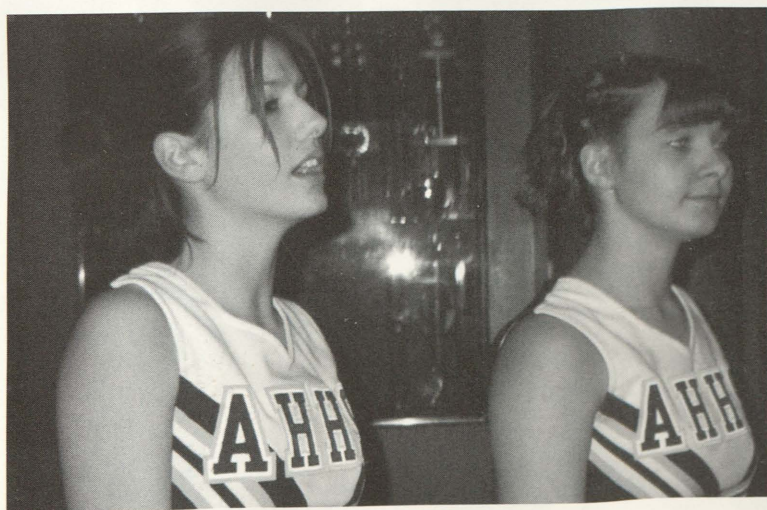

The JV squad participated in Stunt Camp this summer. At camp, they learned how to perform stunts; and they practiced and perfected many cheers.

They also had the opportunity to take part in UCA Camp, which was brought here to Arthur Hill for a day of focus and hard work for the team.

"This years JV squad is different than squads in previous years," Junior Rebecca Town comments. "Stunts, cheers, and dance routines: they all stand out more."

"This year has taken lots of work" Says captain Tanara Simpson. "I'm glad I got to be a part of it"

Freshman Cheerleaders Show Jack Pride...

This year, the freshman cheerleaders worked hard towards a great season. The eight girl squad came together and practiced hard Monday through Thursday from three to five p.m. They mastered many of the traditional AHHS cheers with help from their coach, Nicole Foster. The freshman cheerleaders participated in the AHHS Homecoming and Pride parades. They also attended a competition at the Palace and placed 5th out of twelve places. Co-captain Leah Tabacsko said, "During competition, the whole squad pulled together; and even though we were really nervous, it was lots of fun! And we took 5th!" Overall, the girls did a great job showing their jack pride.

Varsity Pom-Pon Has Spirit to Spare

Right: The Pom Pon squad show their homecoming spirit at the pep assembly

The Varsity Pom-Pon team got an early start this year, practicing all summer long outside Arthur Hill sometimes in the 90 degree heat. The team worked hard for their July performance at Ojibway Island. The team also raised lots of money for their annual competition at an August car wash. Captain Carita Wilson says of their practices, "we had a lot of people which meant we had to work twice as hard."

All the summer work, and practices paid off when the team performed their routine to the N'SYNC's hit "POP". at the fall kick-off assembly. Senior Megan Burdick says of pom-pom's performance. "I had no idea the pom-pom was that awesome. They made the assembly even more hype." "I had no idea that the crowd would react the way they did." Carita Wilson comments.

The pom-pom team danced at all of the home basketball and football games. Some of their routines included dancing to songs such as N'SYNC's "POP", & Britney Spears' "Slave for you" were some crowd favorites.

The highlight of the season was their annual competition. The team placed 3rd with their "POP" routine, and fourth for their kickline. "We worked very hard for the competition; we were happy, but dissappointed with our scores, but we're gonna do better next year." Quintesha Bell says of the competition.

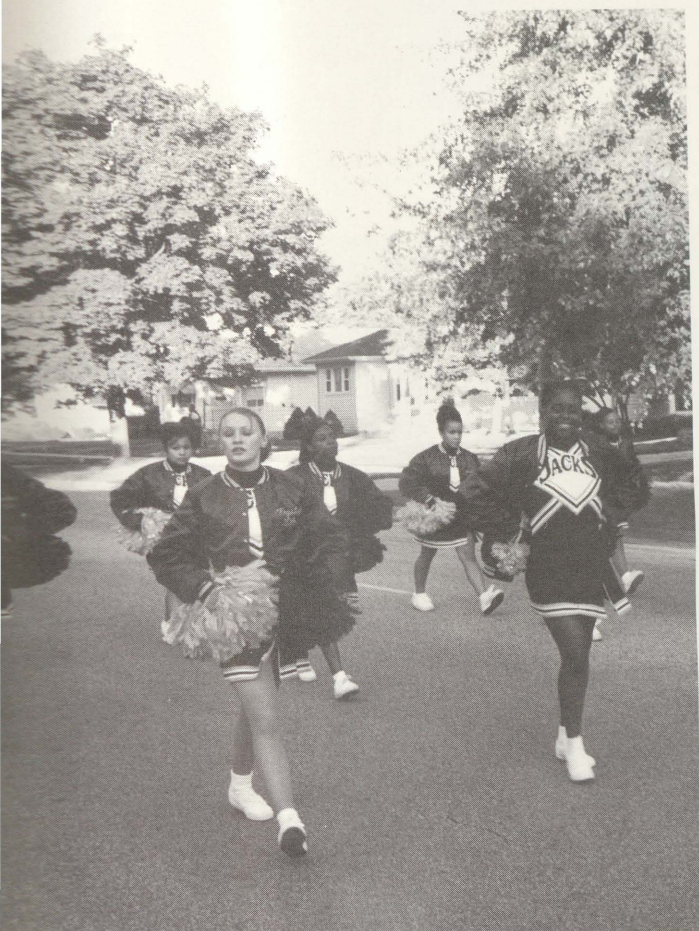

The team organized the King Arthur assembly in February. They practiced every day to choreograph a routine to perform with the King Arthur court.

Pom-Pom is one of the most dedicated, and hard working teams here at Arthur hill. We all look forward to seeing what they have in store for us next year.

About your local community college

Delta College is rated as one of best community colleges in the nation. We are a member of the prestigious League of Innovation in the Community College – that's a real cool by-invitation-only organization. Ask any of our 30,000 graduates – go ahead, call them – how they feel about their Delta experience. They will tell you the plain truth . . . the college in the cornfield gave them the best possible education

Myth No. 1

The Name Game: You can call us Tri-High . . .

Or you can call us MSU (Mackinaw Street University – coined by local sportscaster Art Neil) – or you can call us the college in the cornfield. We don't care. Cuz as the old saying goes: "names will never hurt us". You see, we would rather put our reputation on the line than get into a discussion of what you call us.

Call us:

here at the Hill.....

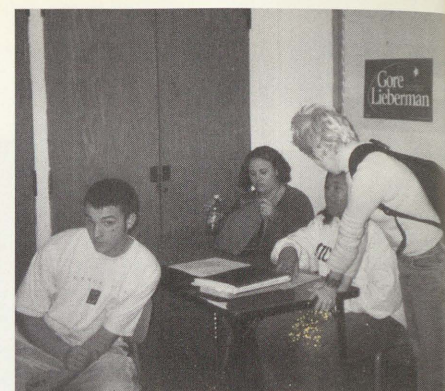

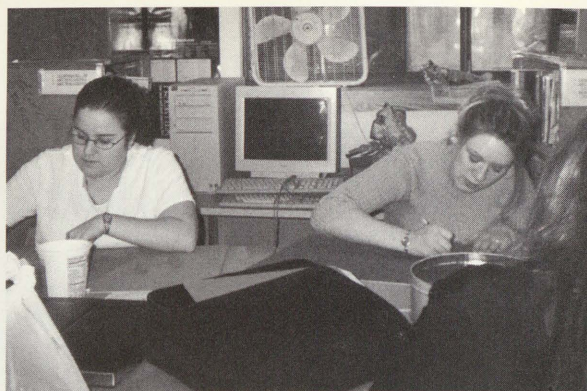

A year in pictures.....

here at the Hill.....

Colophon

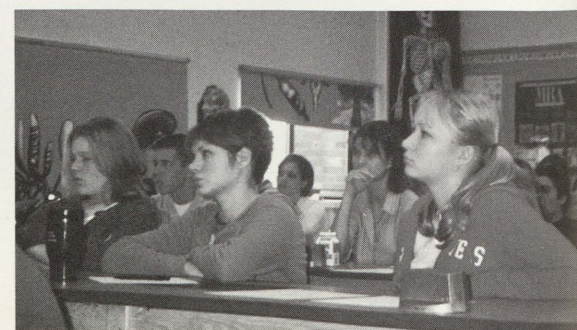

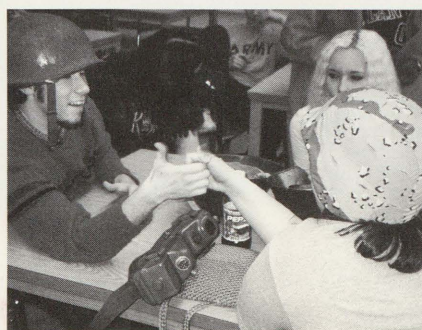

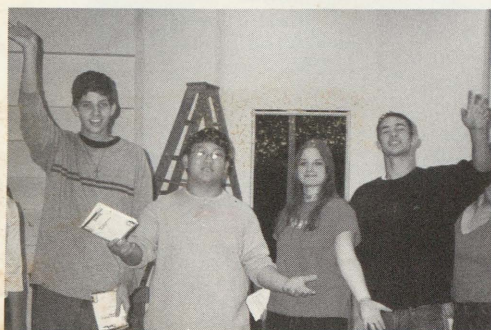

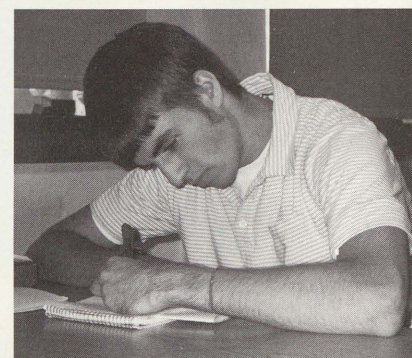

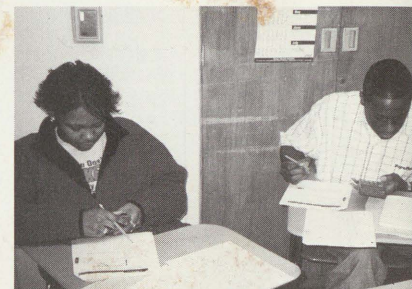

This year, the 2001-2002 Legenda Staff has been working diligently to bring you the Looking Through 2002.

The theme "Looking Through 2002" was created as a way of remembering the many different images of this school year, and also shows the vast diversity of this school. From studying to celebrating, this book shows it all.

As with the previous Legenda, the staff used a "kill list" in order to get as many different people in the yearbook as possible. We tried to limit the candid shots to no more than five per person. We feel this book belongs to everyone at the Hill. So it's important to incorporate as many of you Lumberjacks as possible. From seniors to freshman, from staff to administration, from those who are leaving to those that are staying, you'll find them all.

Now, for those of you interested in the technical parts of this book, keep reading. The yearbook staff used Adobe Pagemaker version 6.5 for all layouts. Some were original, most came from PageSurfer. The books were printed by Jostens, Inc. using the Jostens Yeartech program. The cover of this yearbook was chosen by the staff from a book of ideas. When processing over 1,800 names, 100 stories, and over 1,000 captions mistakes were made by the staff. We sincerely apologize for all mistakes made, they were completely unintentional.

Rachel Jasinski, editor of the yearbook this year, had this to say about the book, "It was a struggle for this staff all year to get this book done in time, but in the end the memories were all worth it. My hope is that all students will be to look in this book and find pictures of great memories that they share with their friends."
